MOBILE SUIT GUNDAM WING Endless Waltz

By Koichi Tokita

Story By

Hajime Yadaite & Yoshiyuki Tomino

After Colony 196 - Having recovered Vulkanus from the Perfect Peace People, the Gundam pilots have finally extinguished the flames of war smoldering throughout the Earth Sphere. But, a year after the death of OZ General Treize Khushrenada, a new plan is set in motion to embroil the Earth and the Colonies in conflict once more.

Even as four of the Gundam pilots seek to find out who is behind the latest unrest, a shadow falls upon them as they must now recover their Gundams, which were sent headlong, with Vulkanus, toward the Sun. And at the same time, they must find out what happened to the long-missing Wufei. The drums of war beat once more in the beginning of **Gundam Wing - Endless Waltz**.

Heero Yuy

The one and only. A perfect soldier, Heero is prepared to die or kill to ensure the success of his mission - an odd distinction for someone named after the peace-loving assassinated colonial leader.

• Wing Gundam Zero

Duo Maxwell

The wide-eyed warrior. Don't let the smile fool you, put him behind the control of his Gundam Deathscythe, and he becomes the angel of death.

• Gundam Deathscythe Hell

Trowa Barton

The enigma. Some say he wears a mask, and they're not just referring to the hair that hides his face. His calm exterior hides a past that haunts him to this day.

• Gundam Heavyarms Custom

Quatre Raberba Winner

The peacemaker. A sensitive soul, he's no fan of violence. But make no mistake, if force is required, Quatre fights to win.

• Gundam Sandrock Custom

Chang Wufei

The martial arts warrior. He fights with the single-mindedness of purpose that only a martial artist knows. But with his own motivations guiding him, his allegiance is now questionable.

• Altron Gundam

After Colony 195

With the destruction of Libra and the fall of OZ, Earth and the colonies chose to coexist in eternal peace and formed the United Earth Sphere Nation.

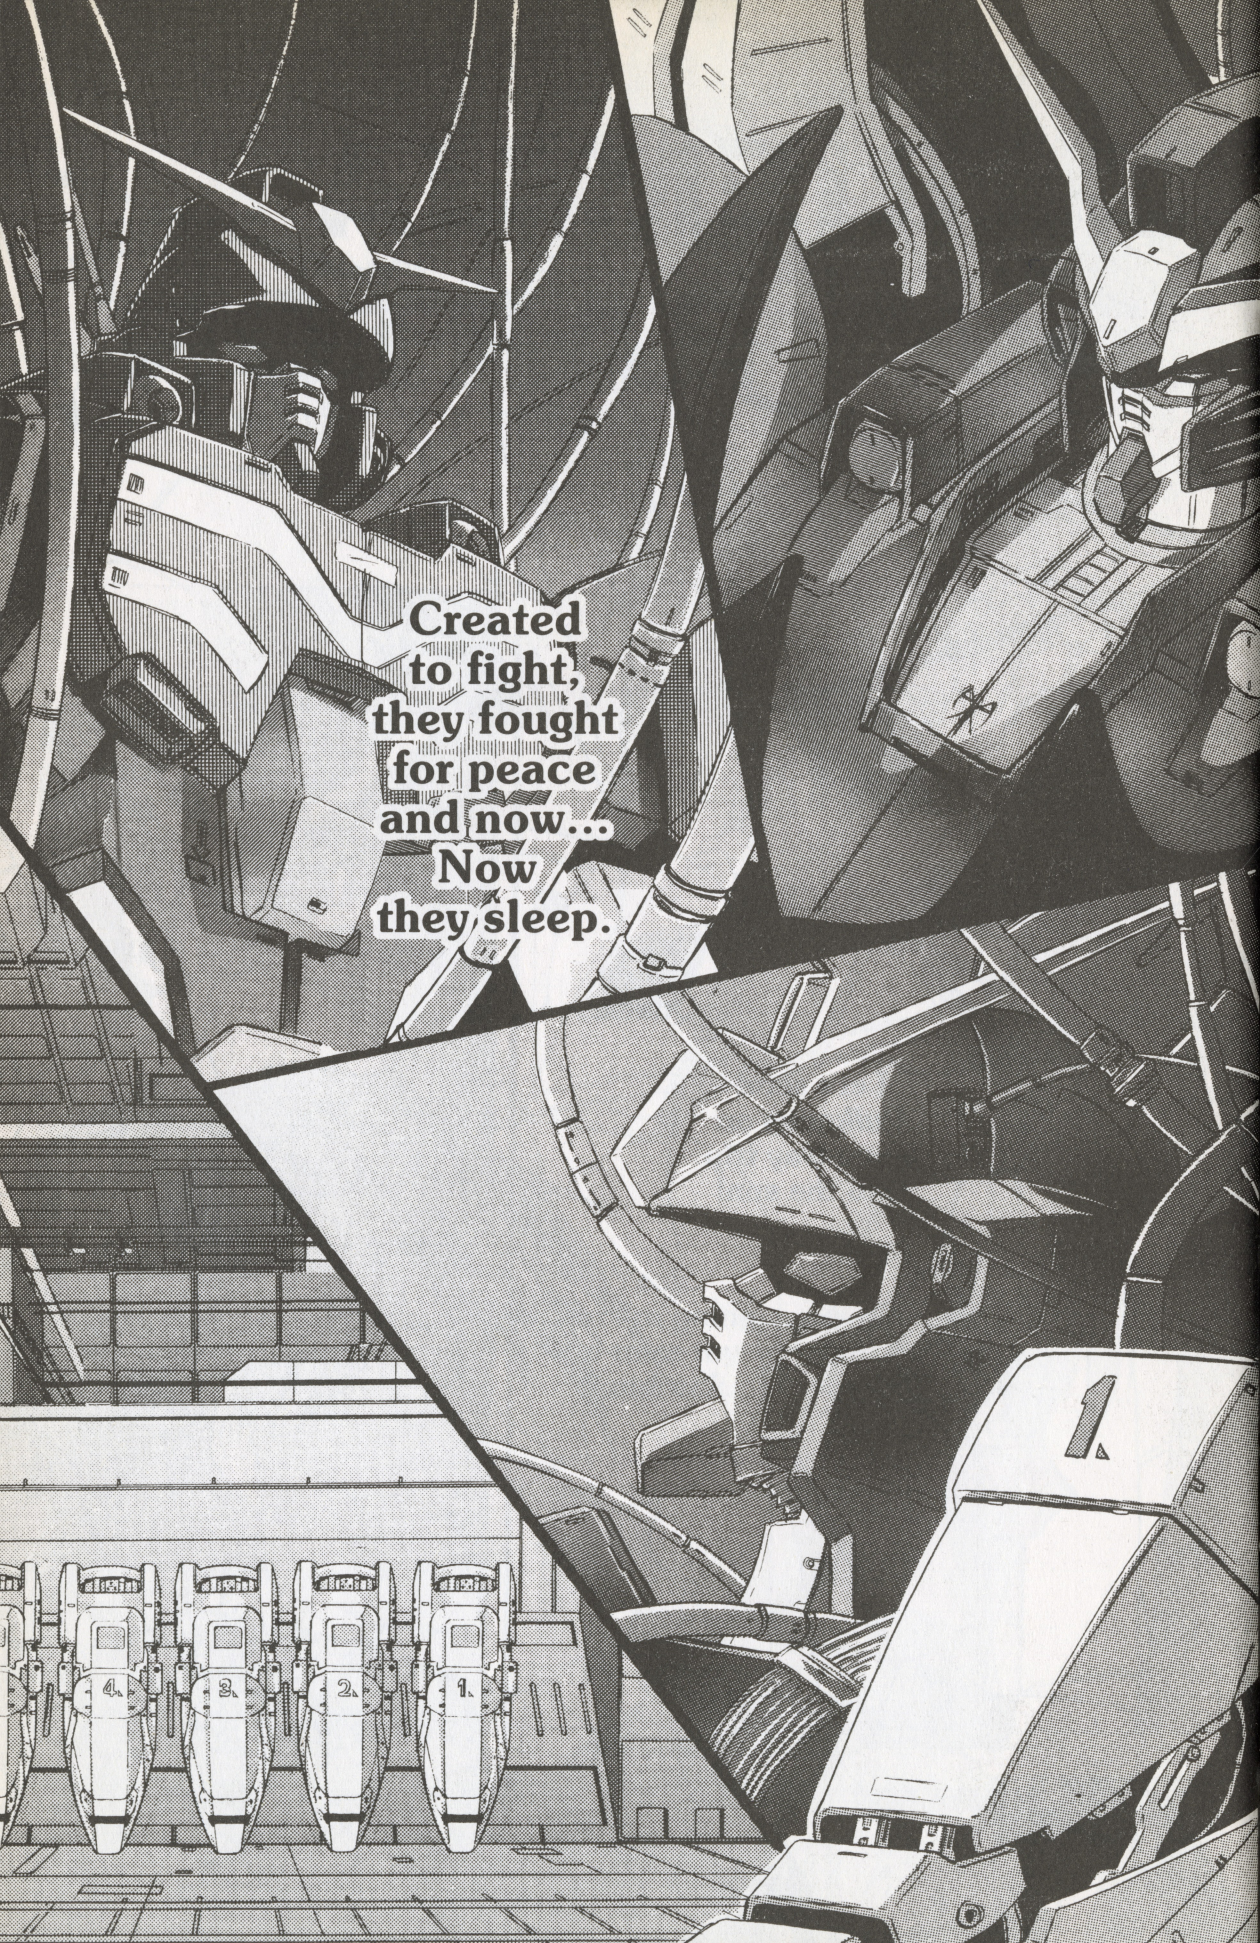

**Did
mankind
make
the right
choice?**

**Should peace
have come
at the cost
of so many
lives?**

**Their
machines
of war have
folded
their wings
and powered
down for the
last time.**

**Five young
warriors,
sent from
the colonies
to bring
peace...**

Created
to fight,
they fought
for peace
and now...
Now
they sleep.

MARIEMAIA BARTON

Okay,
this
is it.

C'mon,
Quatre!

Let's send
Vulkanus on
a one-way trip
into the sun!

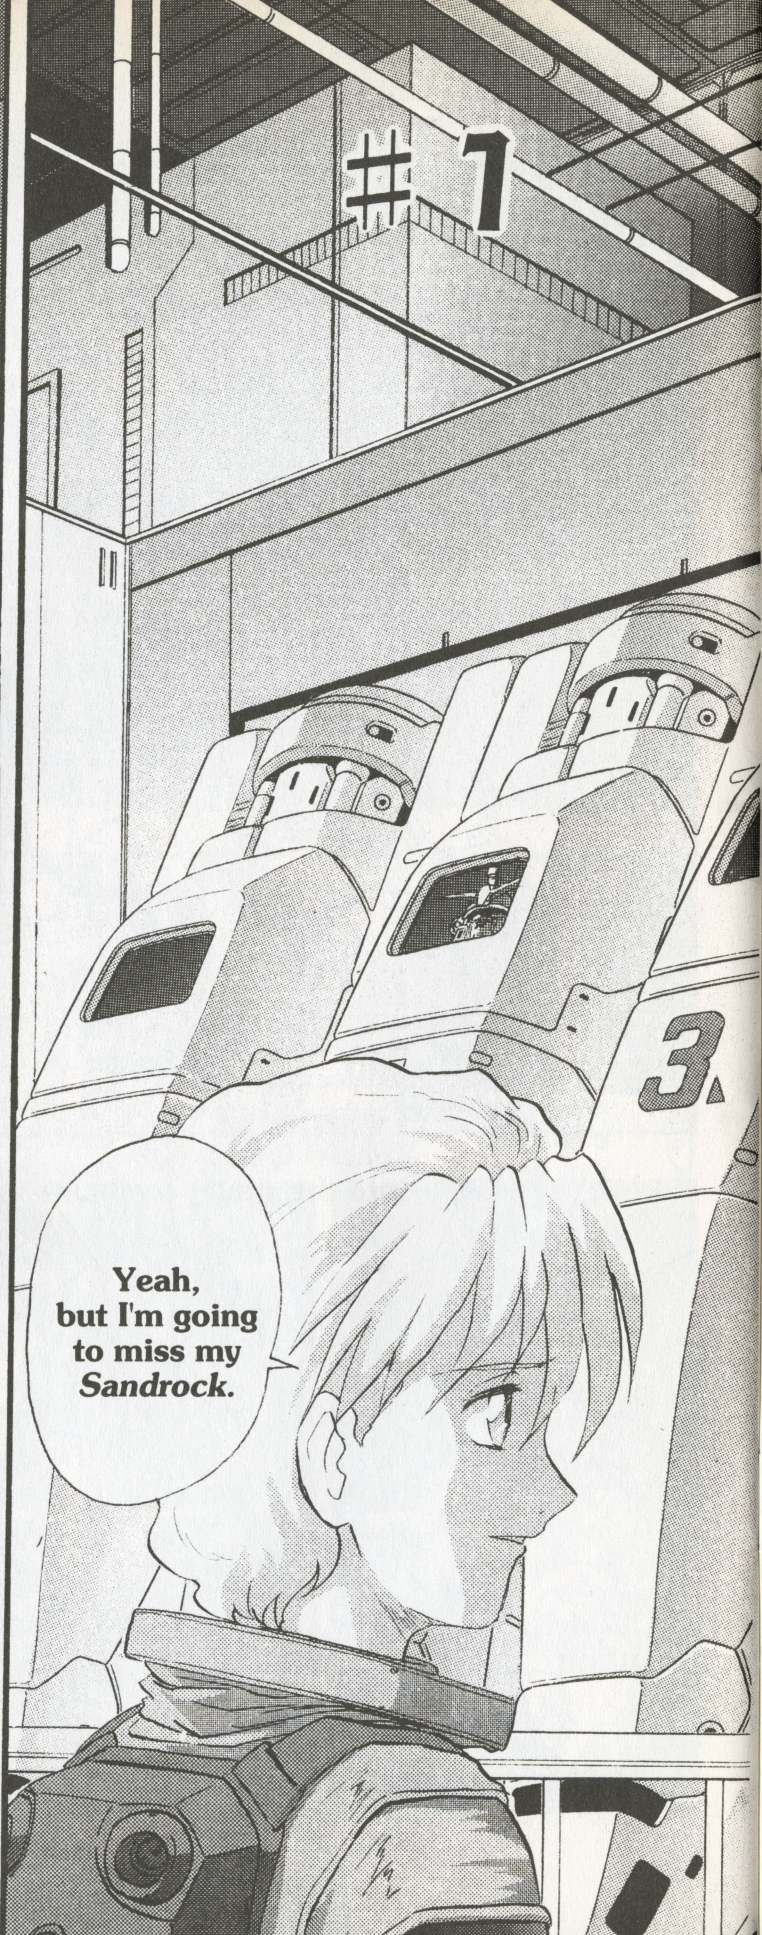

It's a new
era of peace.
We don't need
Gundams
now.

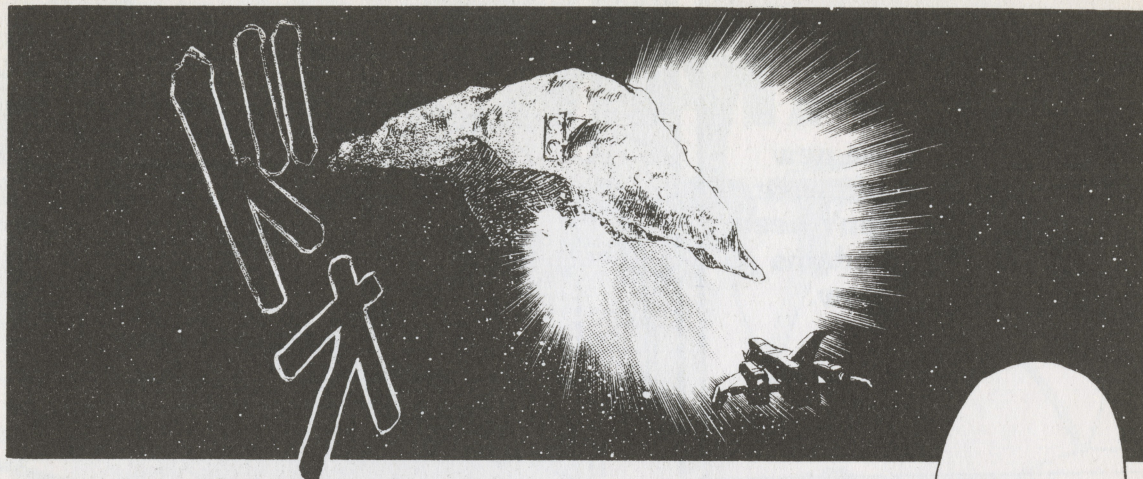

Right.
Heero and
Trowa gave
up their
Gundams,
as well.

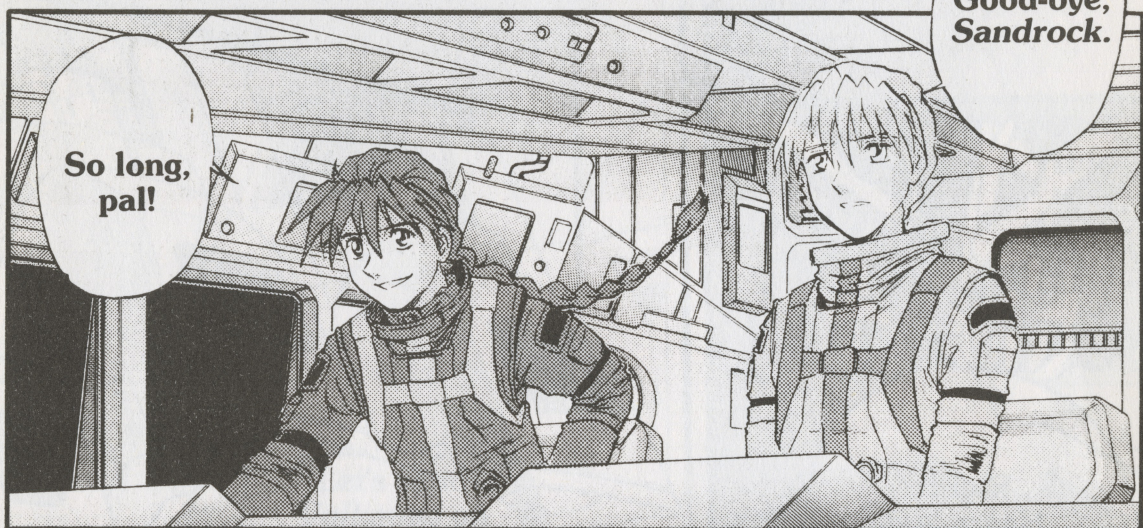

Wufei
is gone,
though...

Yeah,
but I'm going
to miss my
Sandrock.

Good-bye,
Sandrock.

So long,
pal!

...Wufei
went.

I
wonder
where...

But
still,

CHRISTMAS EVE,
AC 196, RESOURCE
SATELLITE MD-11.

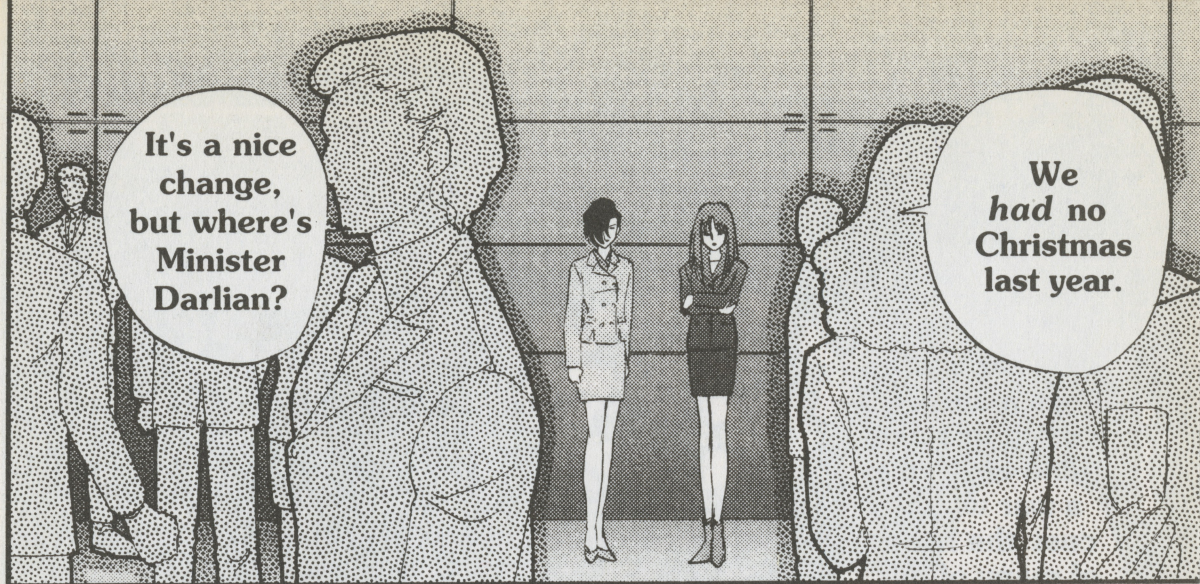

A year ago,
we made a
foolish mistake
and entered
a war which
cost the lives
of many of our
friends and
loved ones.

We must
never forget
the *cost* of
this peace!

PRESIDENT OF
THE U.E.S.N.

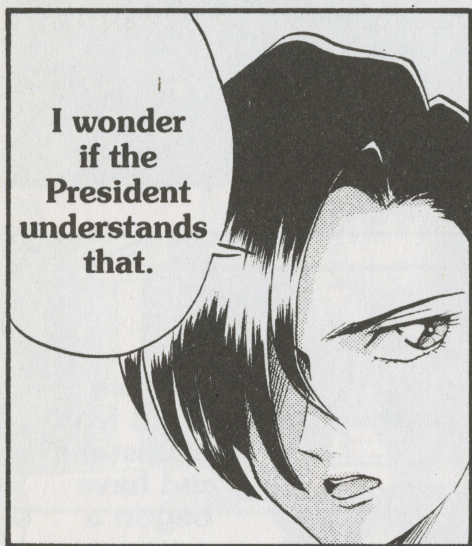

But we
learned from
our mistake
and have
began a
new era
of peace!

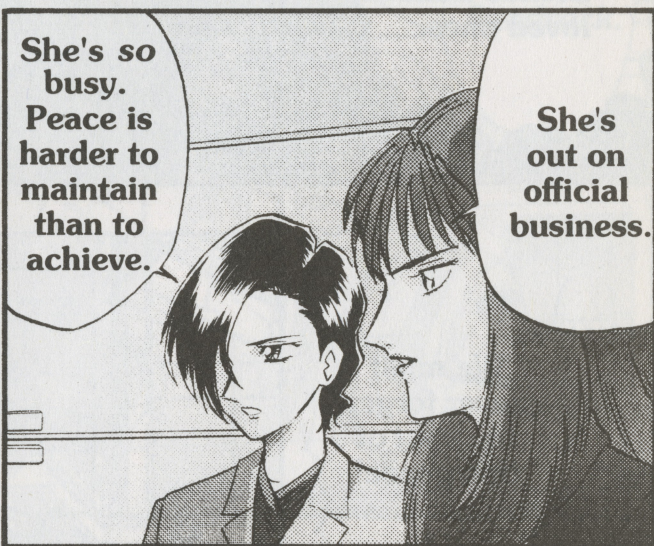

It's a nice
change,
but where's
Minister
Darlian?

We
had no
Christmas
last year.

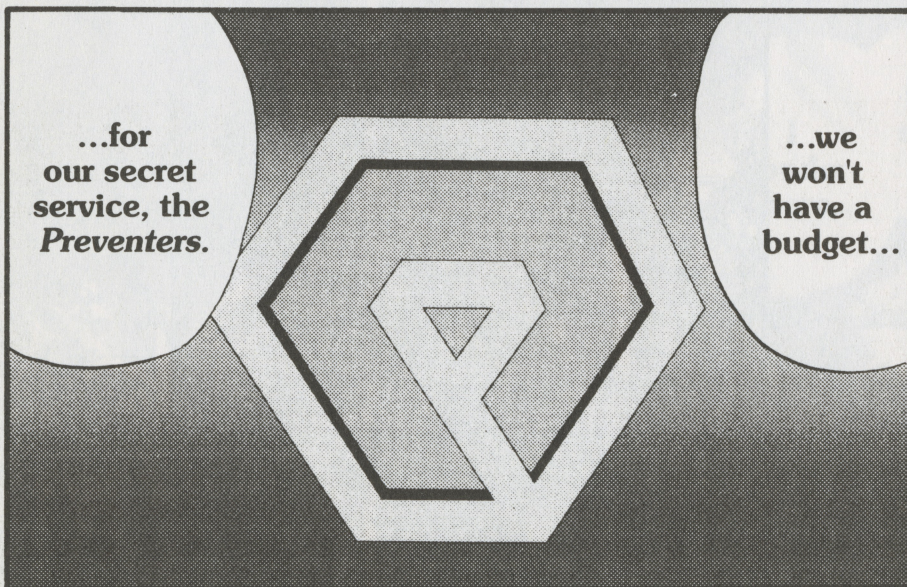

I wonder
if the
President
understands
that.

She's so
busy.
Peace is
harder to
maintain
than to
achieve.

She's
out on
official
business.

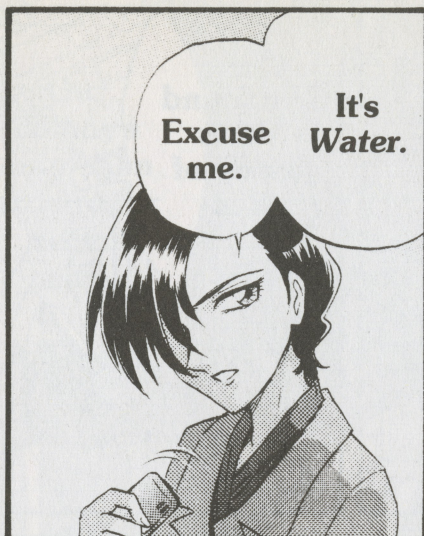

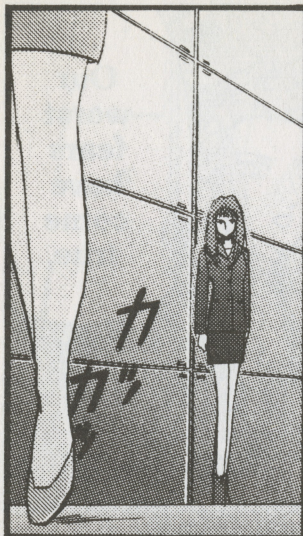

...for
our secret
service, the
Preventers.

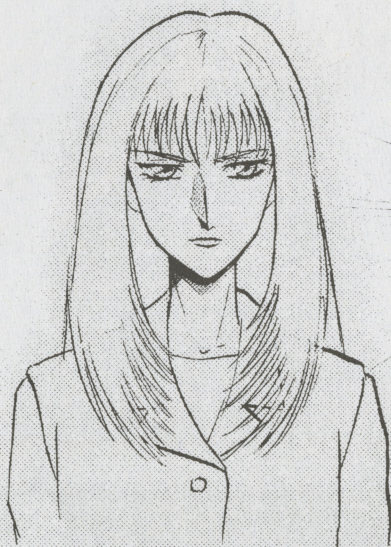

...we
won't
have a
budget...

He
should.
Other-
wise...

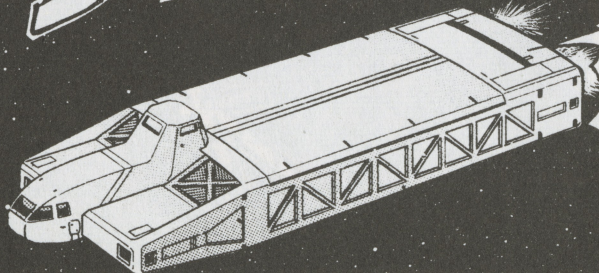

*I must make
General
Kushrenada's
death
worthwhile.*

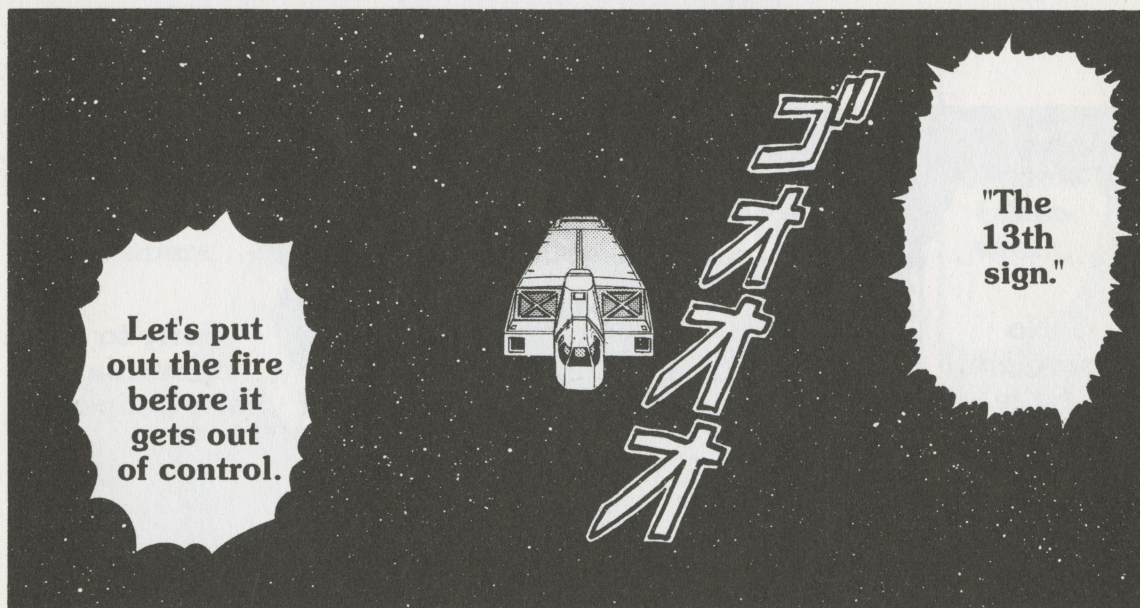

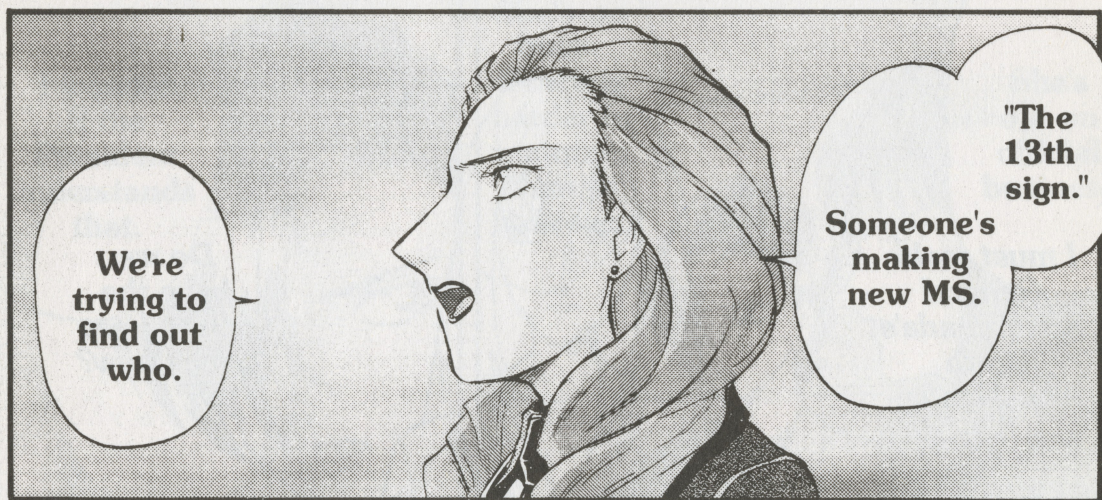

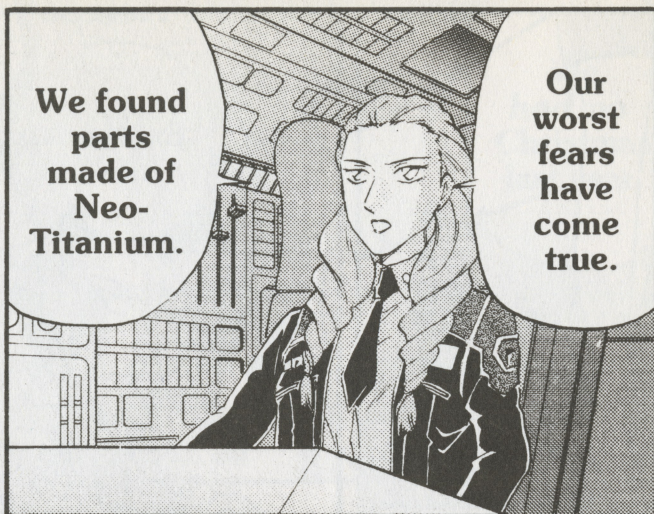

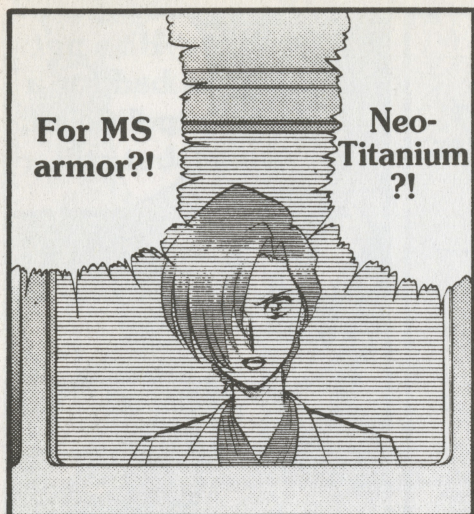

*Do we
have the
will to keep
peace now?*

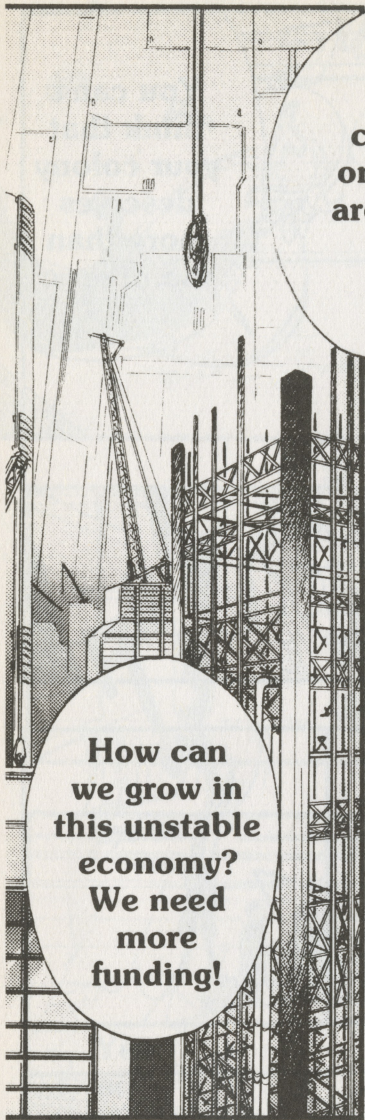

No
problem,
Sally.
What's
up?

ゴゴゴゴゴ

Sorry to
be such a
party-pooper,
Noin.

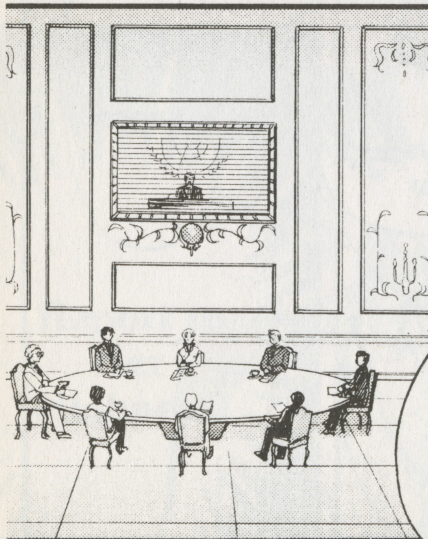

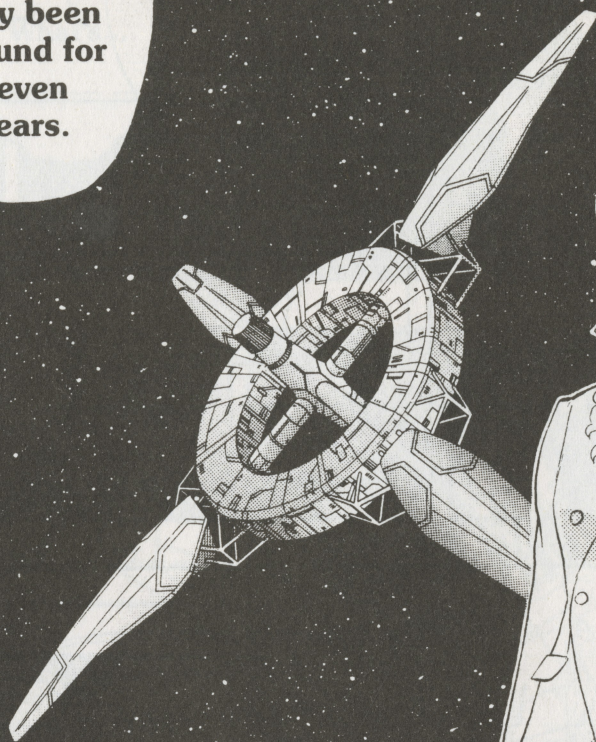

**Our
colony's
only been
around for
seven
years.**

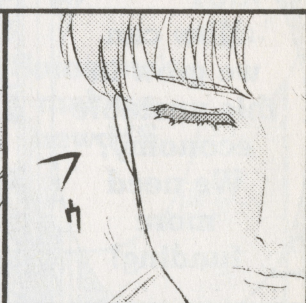

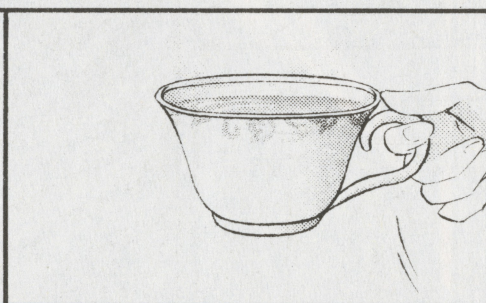

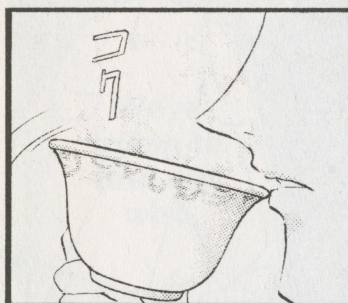

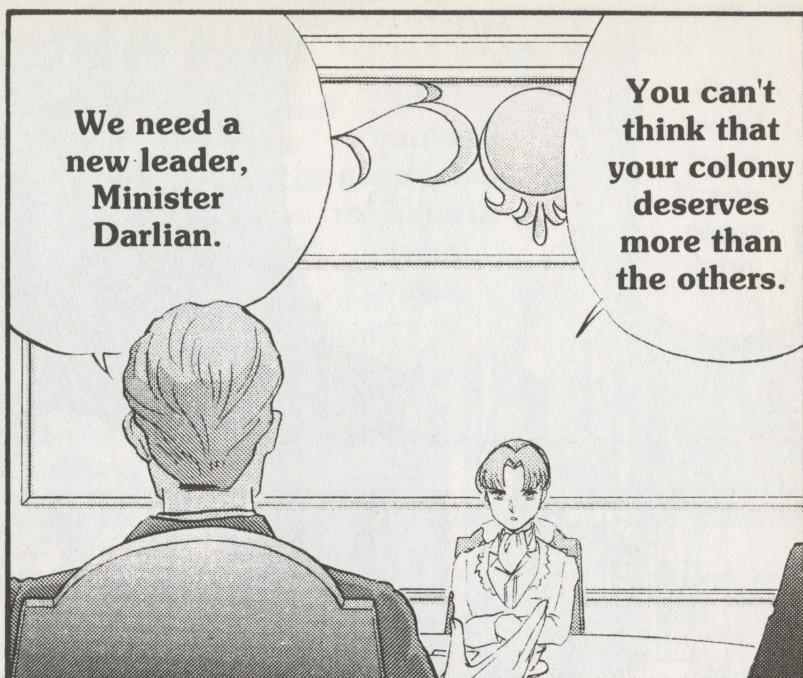

L-3 COLONY
X-18999

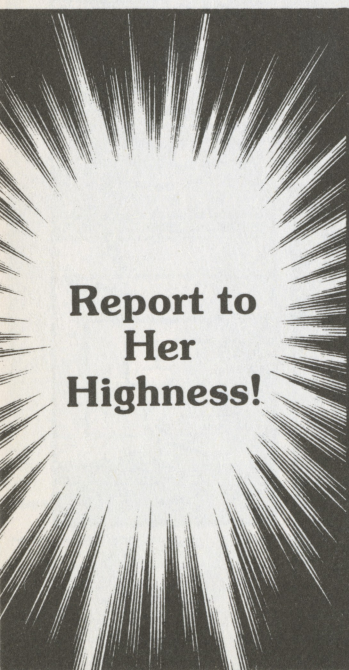

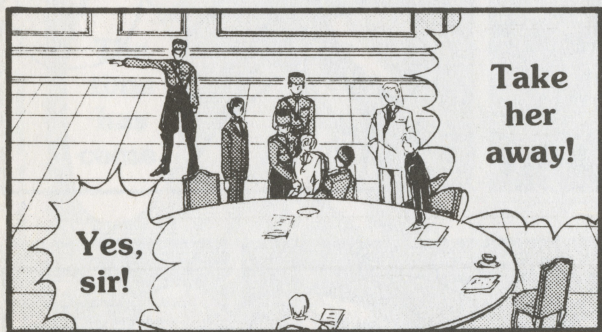

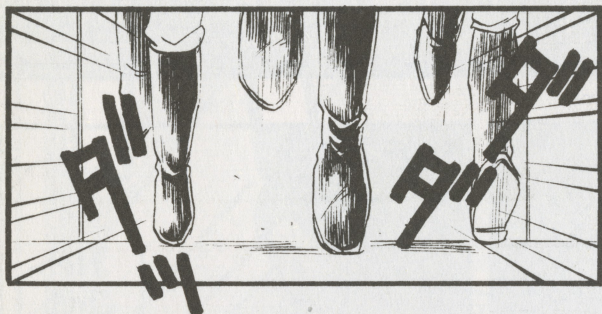

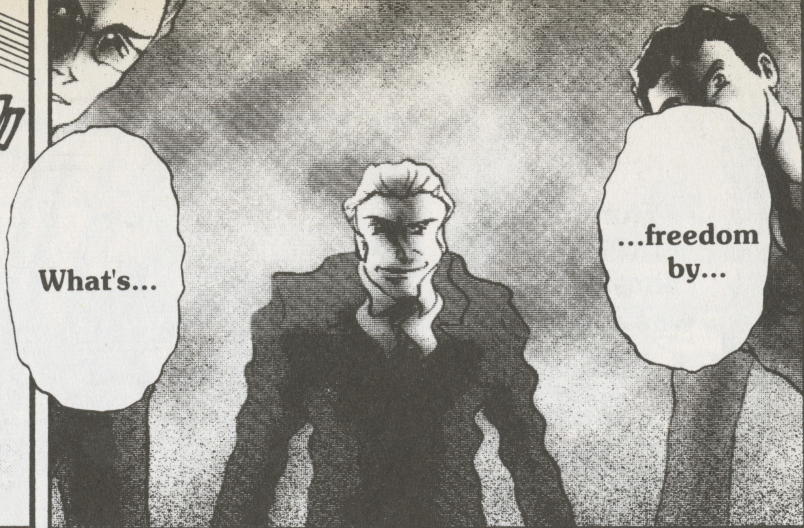

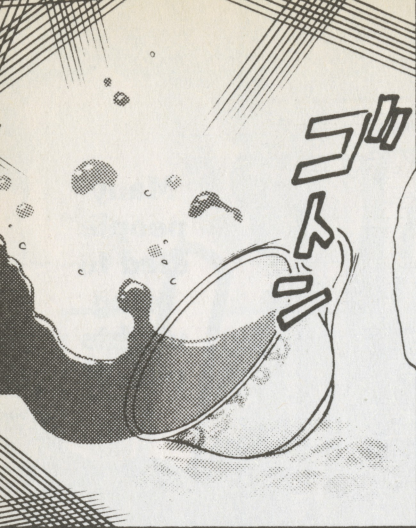

**How can
we grow in
this unstable
economy?
We need
more
funding!**

**Your
people
must
*be aware***

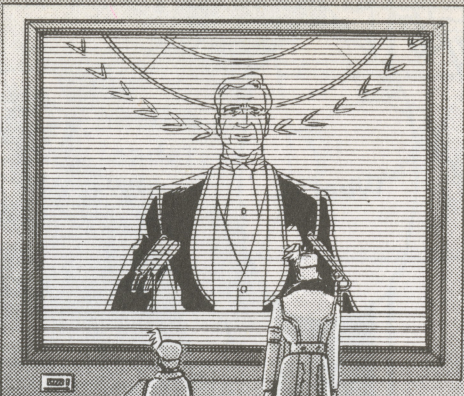

**that
they're
part of
the
U.E.S.N.**

Let's make
sure their
sacrifice
was not in
vain!

Many
people
died to
bring
us this
peace!

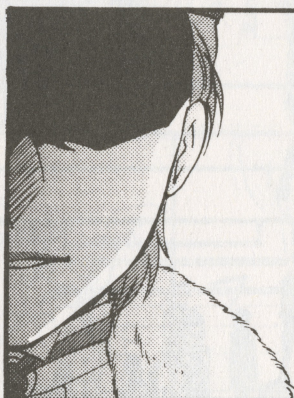

but is
the Earth
Sphere
ready
for it?

Peace
is fine,

Heh-
heh.

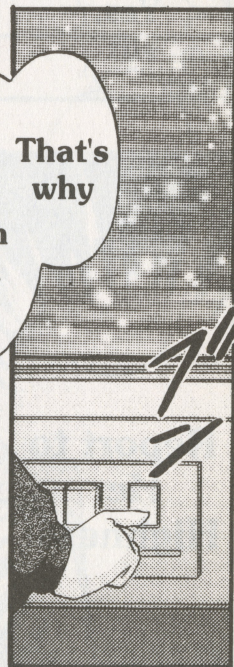

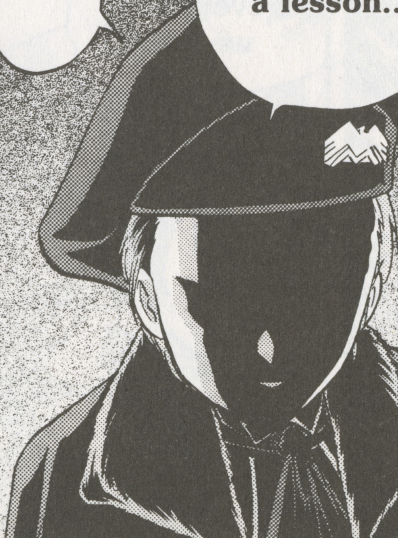

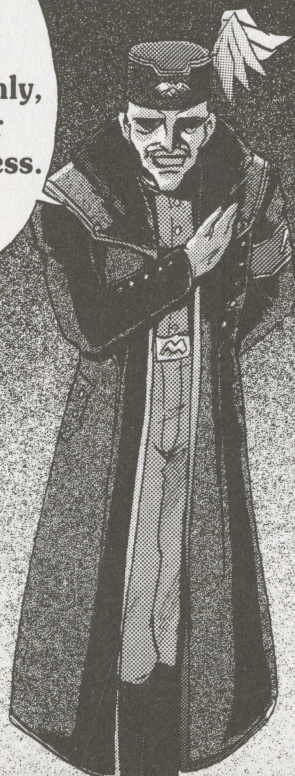

Certainly,
your
Highness.

...
Dekim.

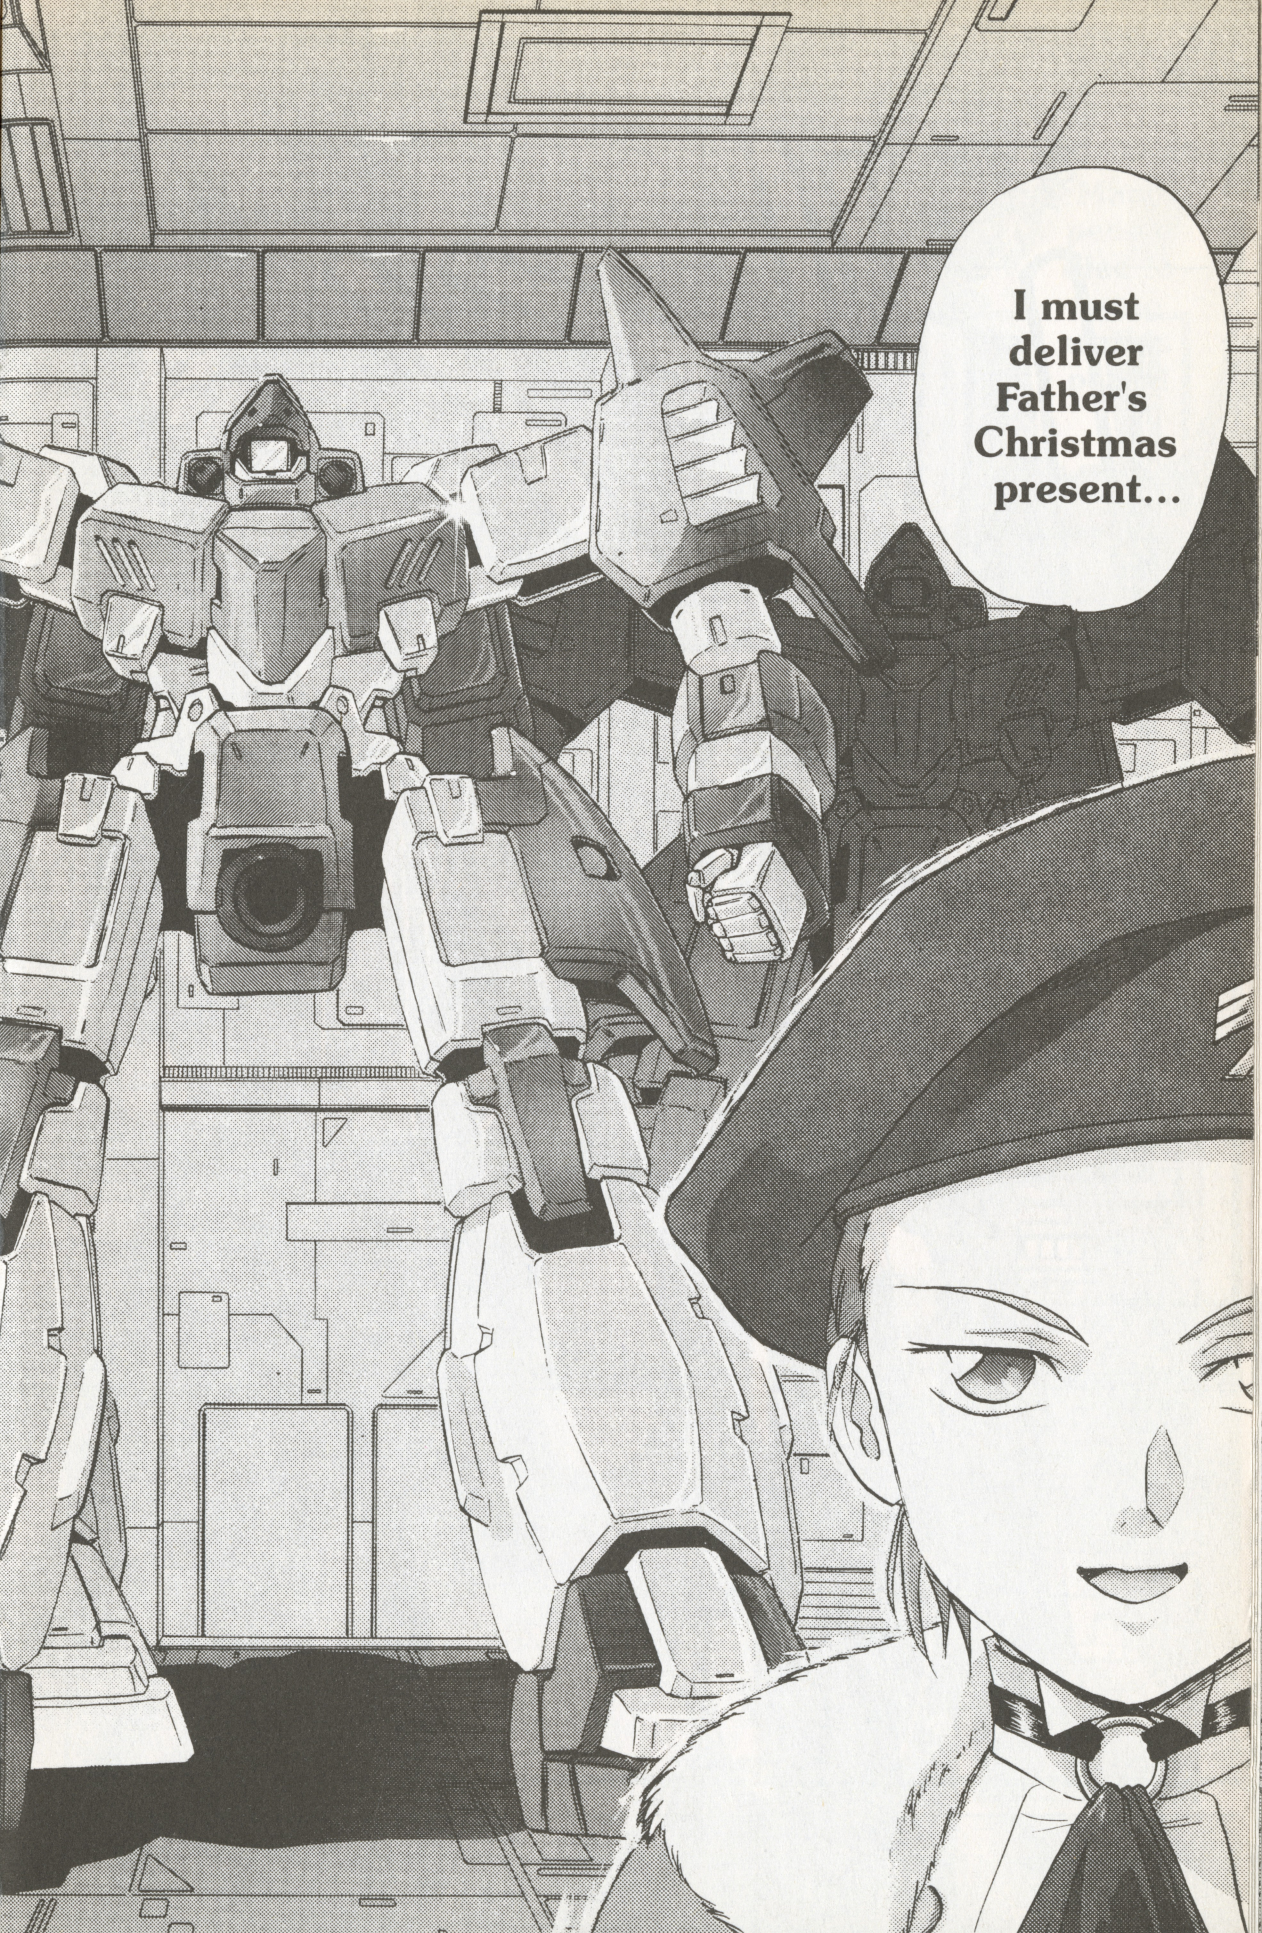

we must
teach them
a lesson...

That's
why

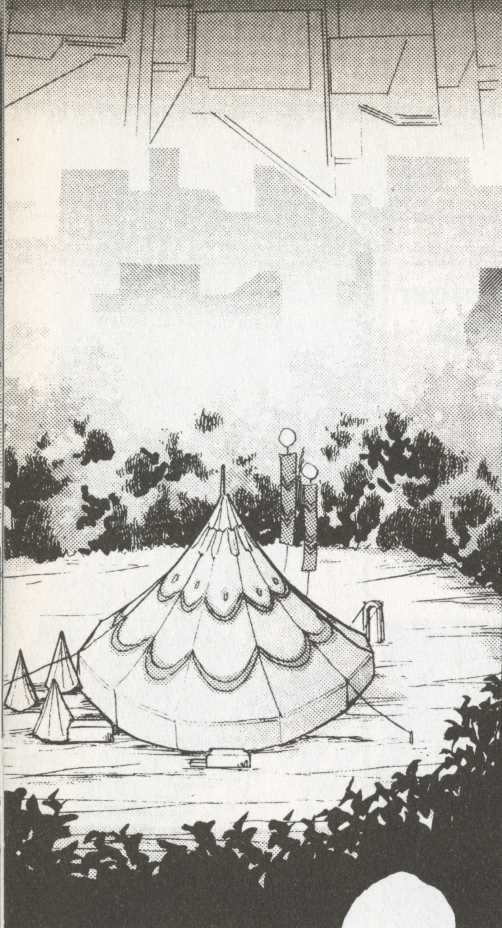

The
time
has
come.

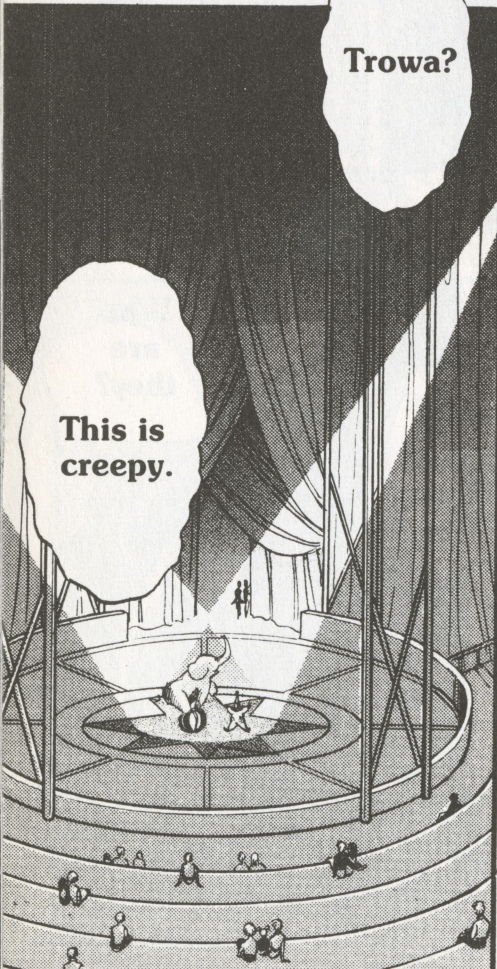

**I must
deliver
Father's
Christmas
present...**

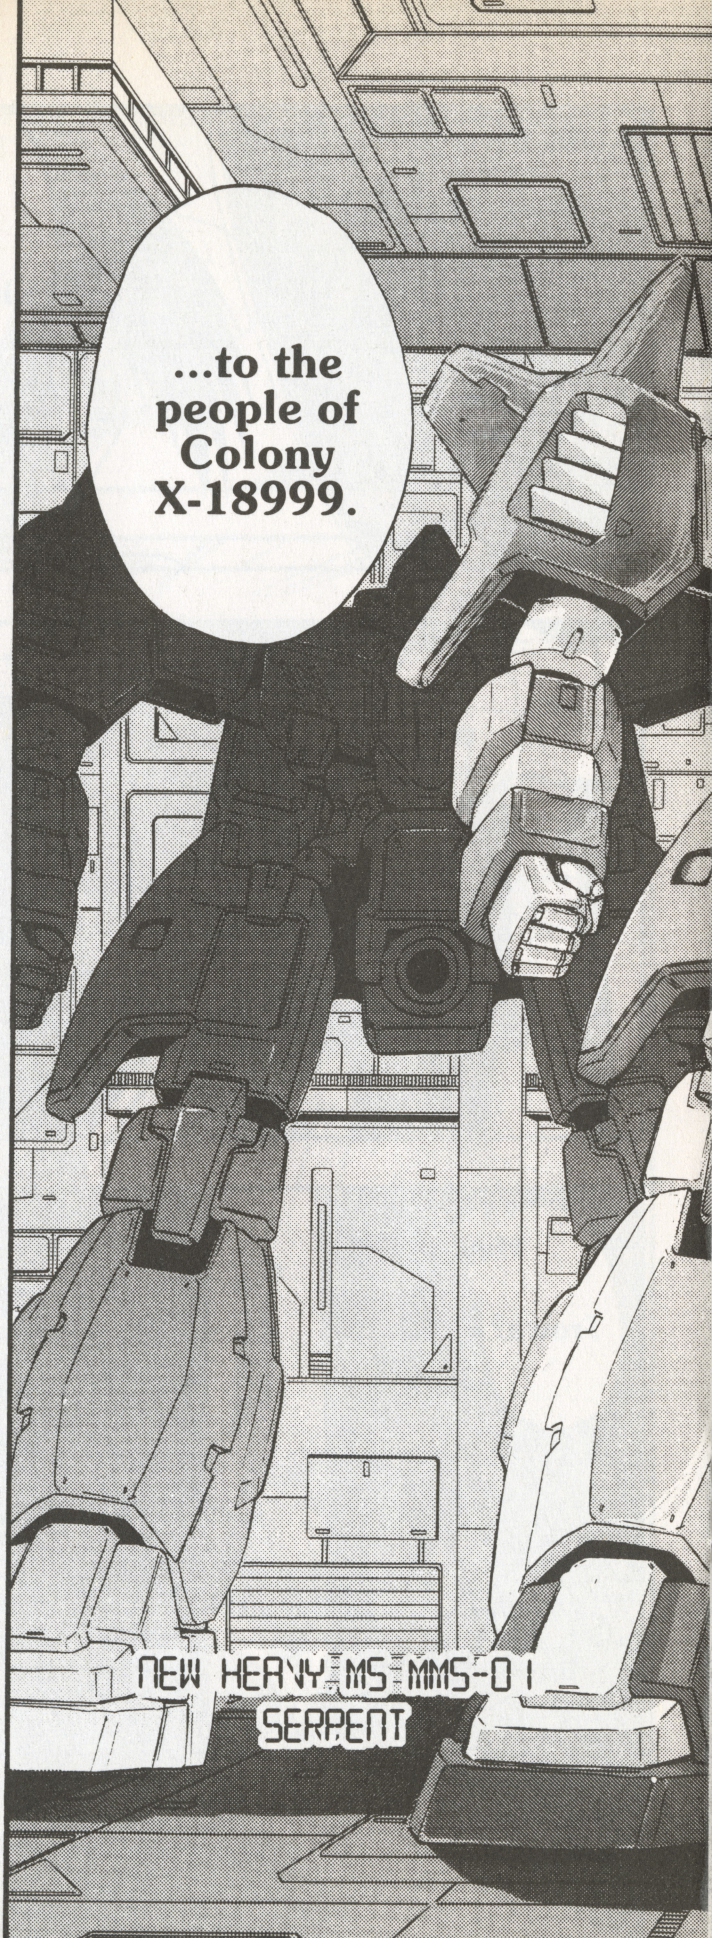

Trowa?

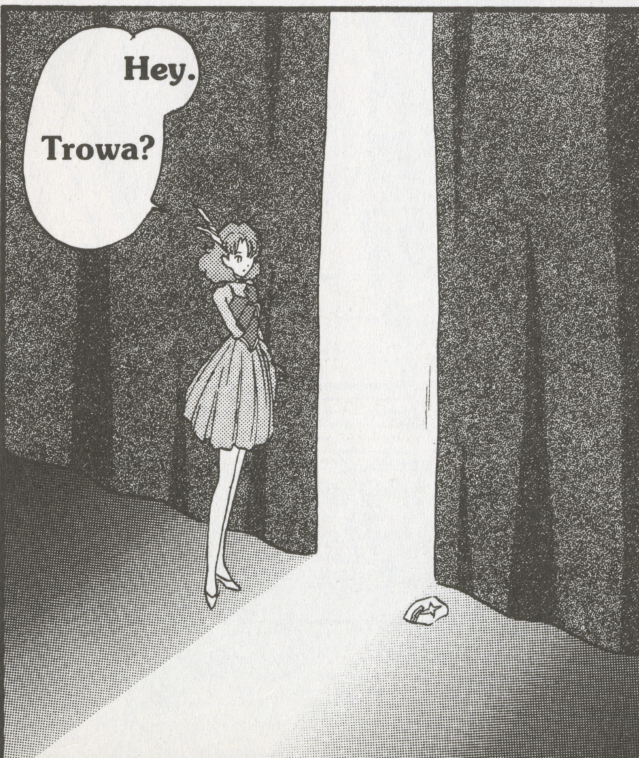

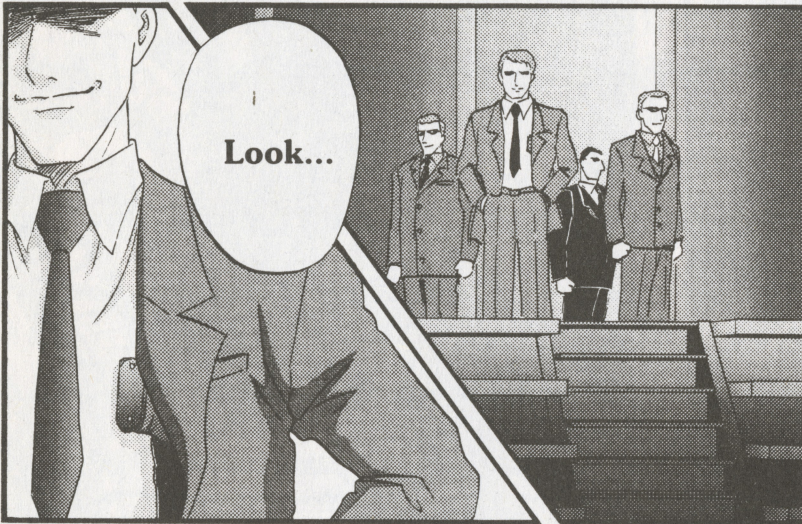

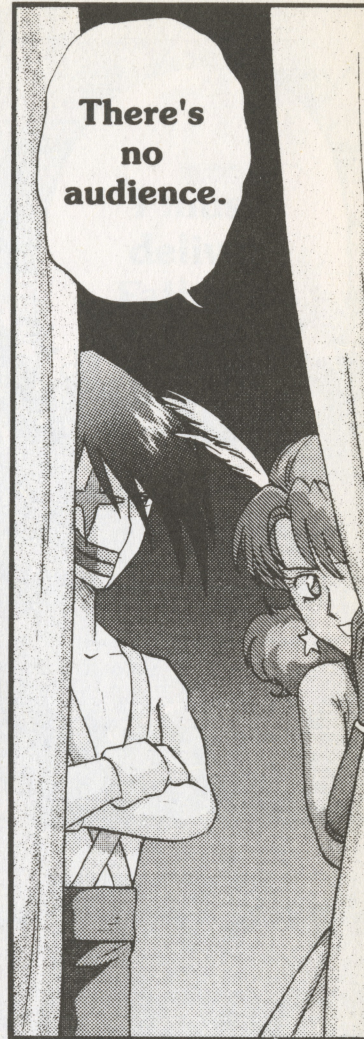

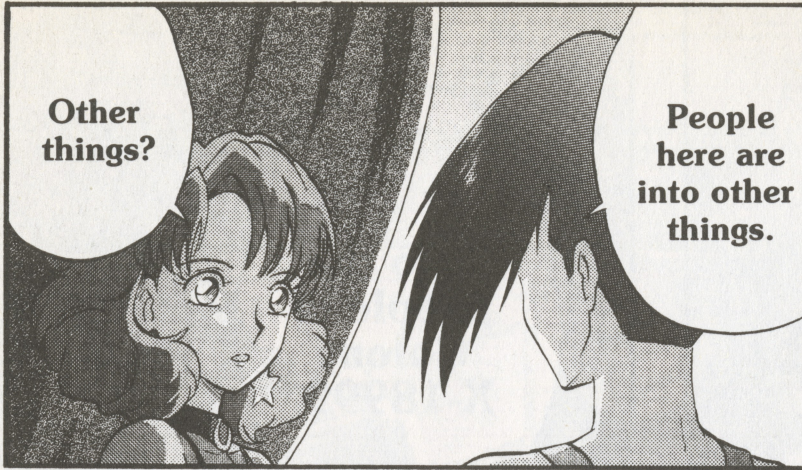

This is
creepy.

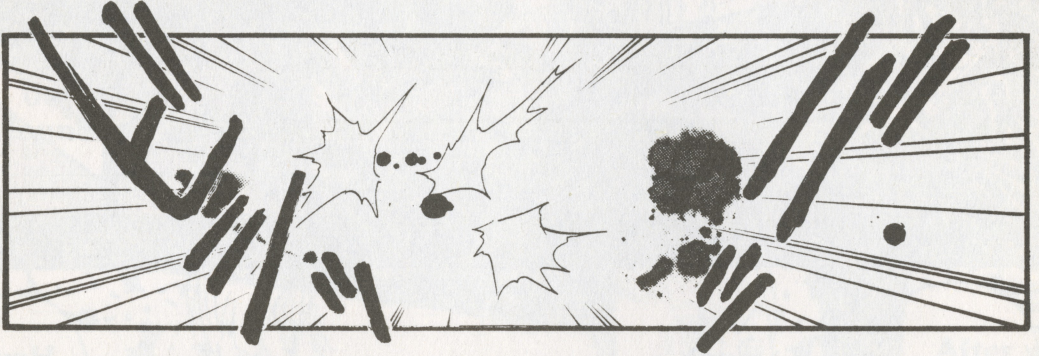

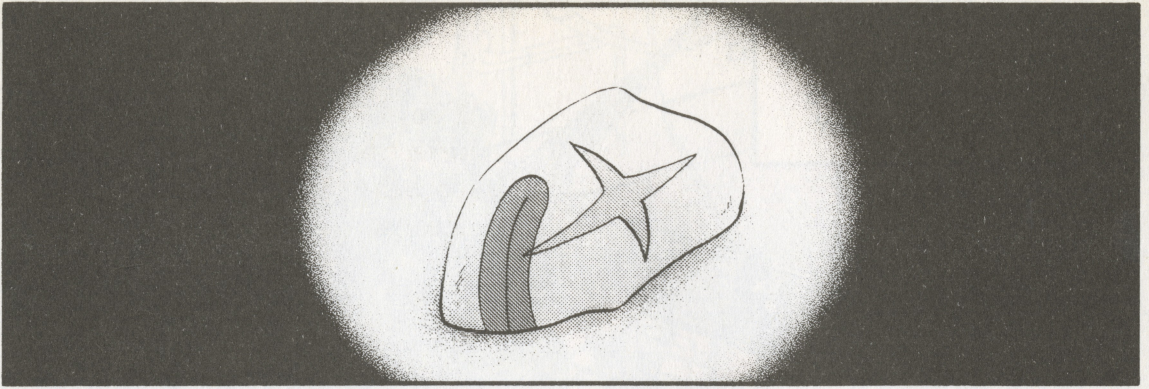

...to the
people of
Colony
X-18999.

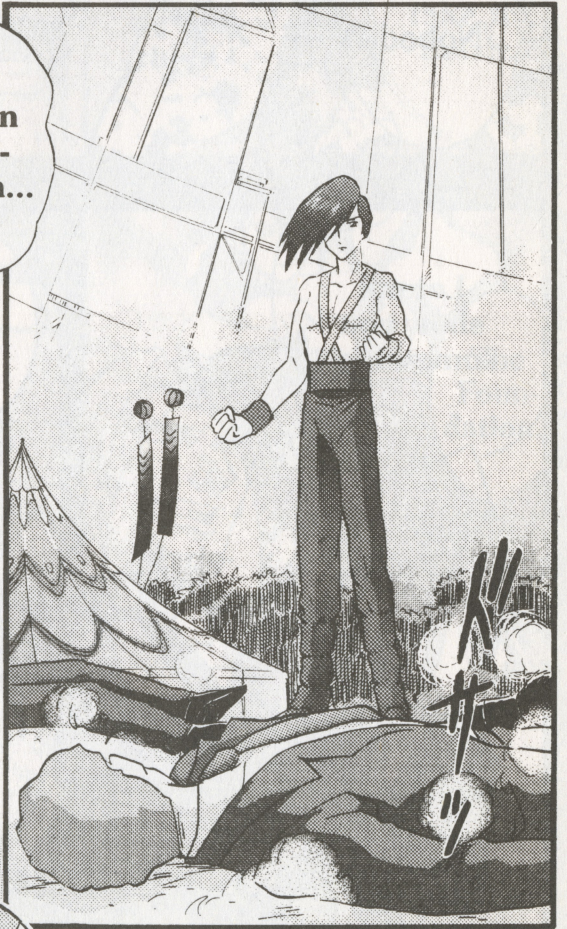

NEW HEAVY MS MMS-01
SERPENT

That guy's
up to
no good
again.

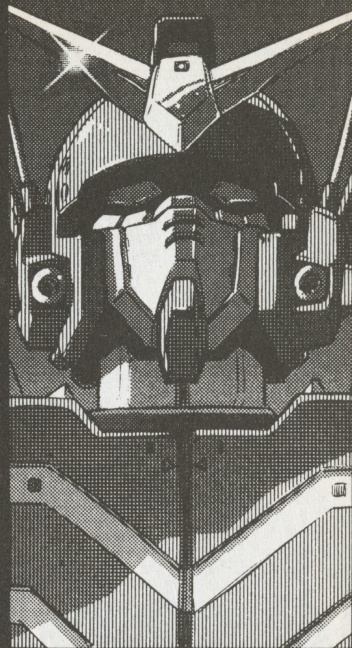

Barton
Foun-
dation...

That
girl...

Or, could
it be
Rheia's
daughter?

MARCH, AC 195, L-S COLONY,
BARTON FOUNDATION'S
SECRET MS FACTORY.

...Nobody.

Hey, there...

...Nobody.

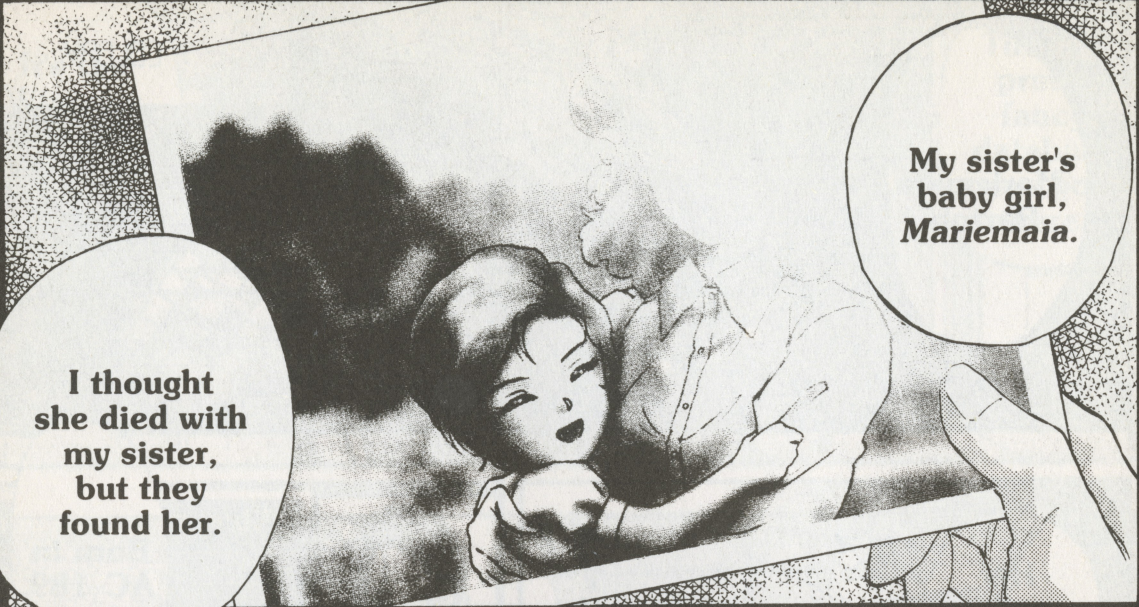

Hey, there...

A black and white manga-style illustration of a young man with blonde hair, wearing a jacket, holding a small card and pointing at it with his right index finger. A speech bubble above him says "Let me show you something."

Fine.

**How's
my
Heavy-
arms?**

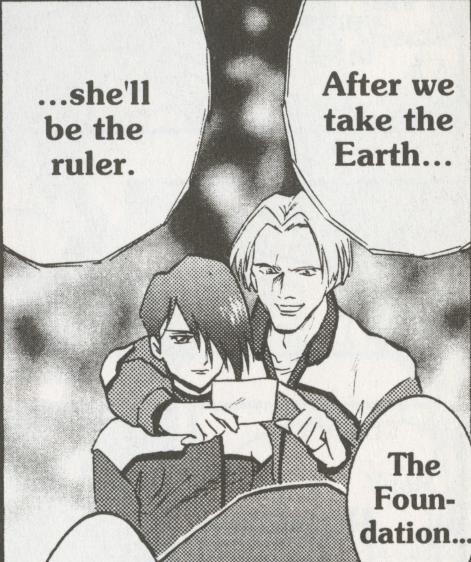

I thought
she died with
my sister,
but they
found her.

My sister's
baby girl,
Mariemaia.

.....

...she'll
be the
ruler.

After we
take the
Earth...

The
Foun-
dation...

Mari-
maia...

**Mariemaia
Barton.**

L-1 COLONY

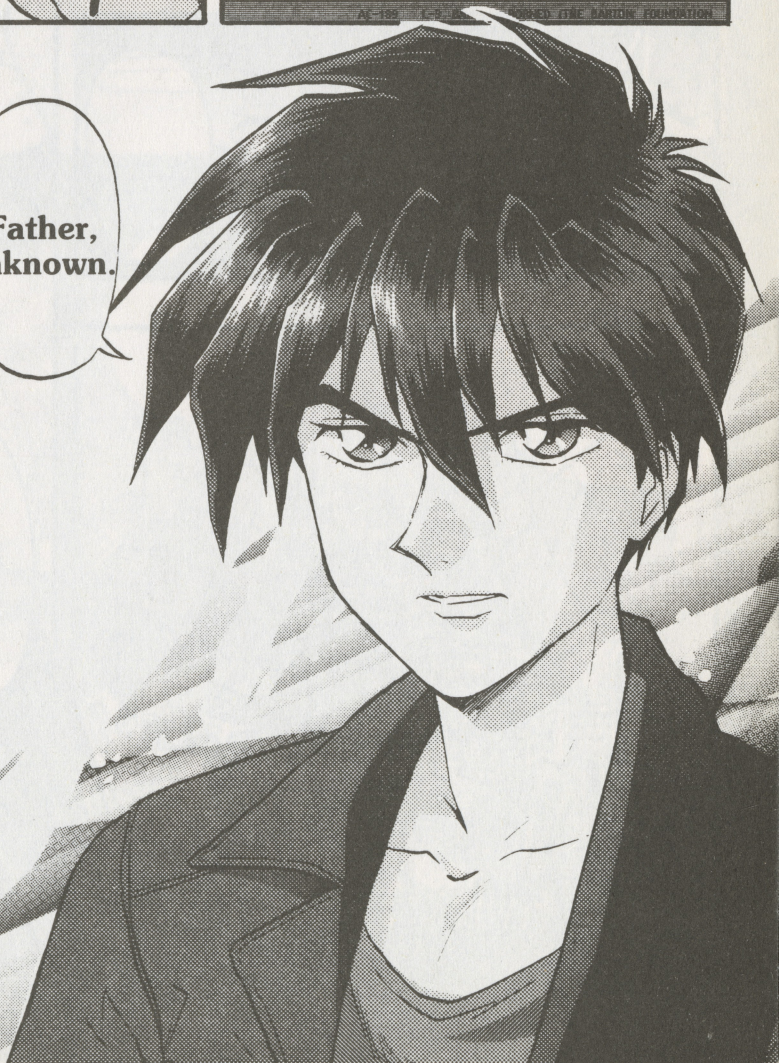

**Mariemaia
Barton.**

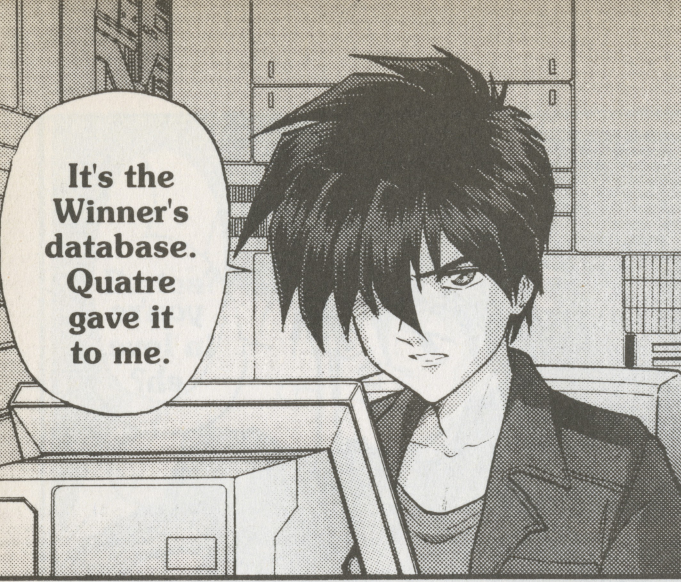

L-1 COLONY

Her mother died two years later.

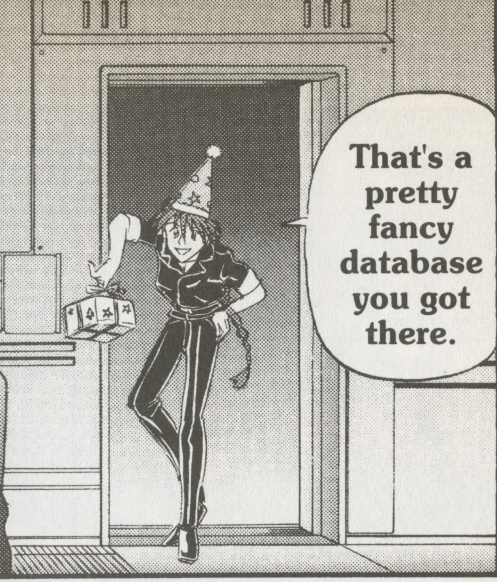

**Father,
unknown.**

***Working
on
Christmas,
buddy?!***

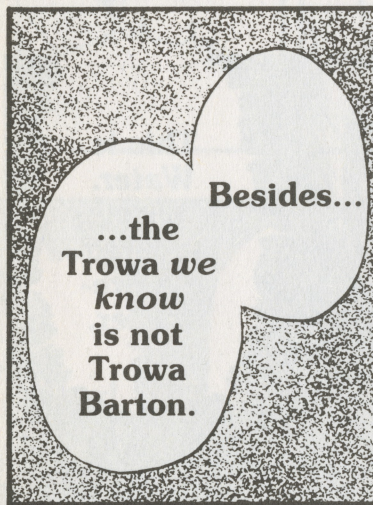

It's the Winner's database. Quatre gave it to me.

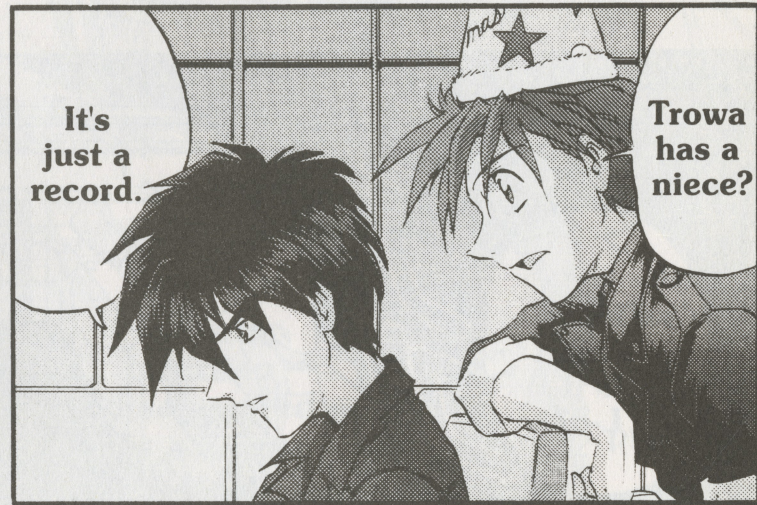

That's a pretty fancy database you got there.

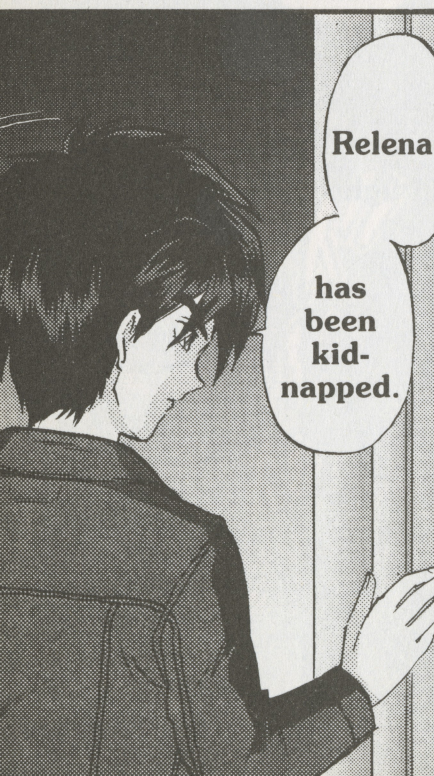

...the Trowa we know is not Trowa Barton.

Besides...

It's just a record.

Trowa has a niece?

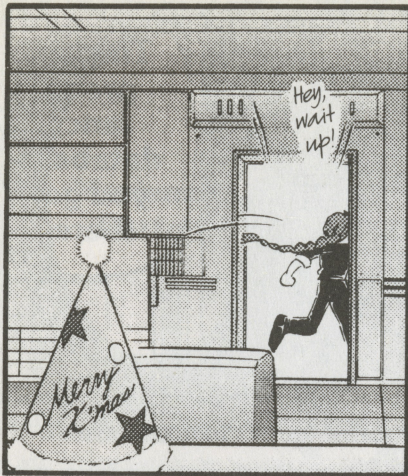

Relena has been kidnapped.

Hey, where are you going?

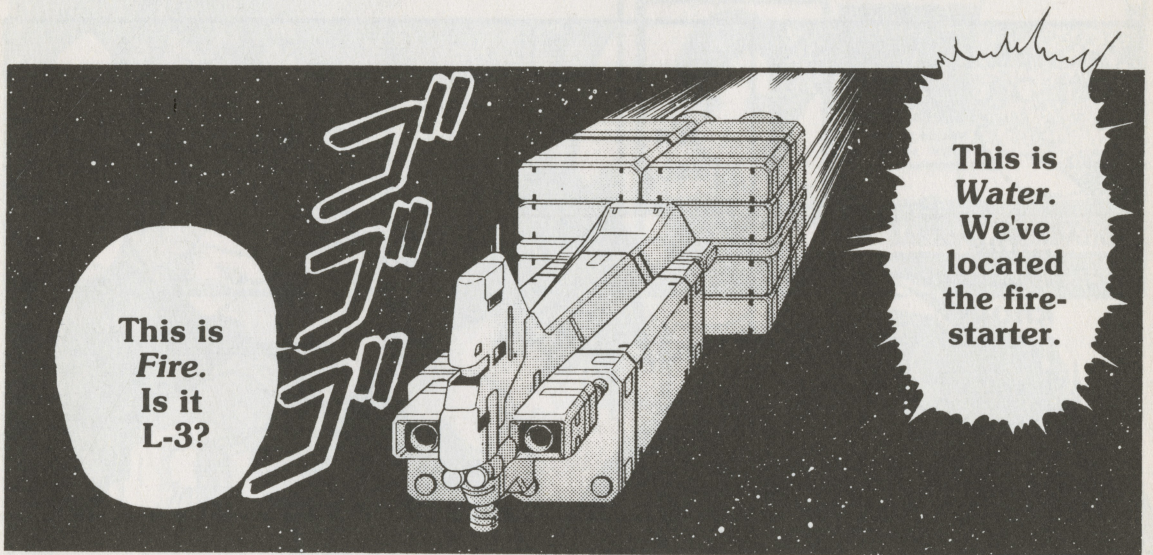

Yeah, you're right.

It's
about
time
you--

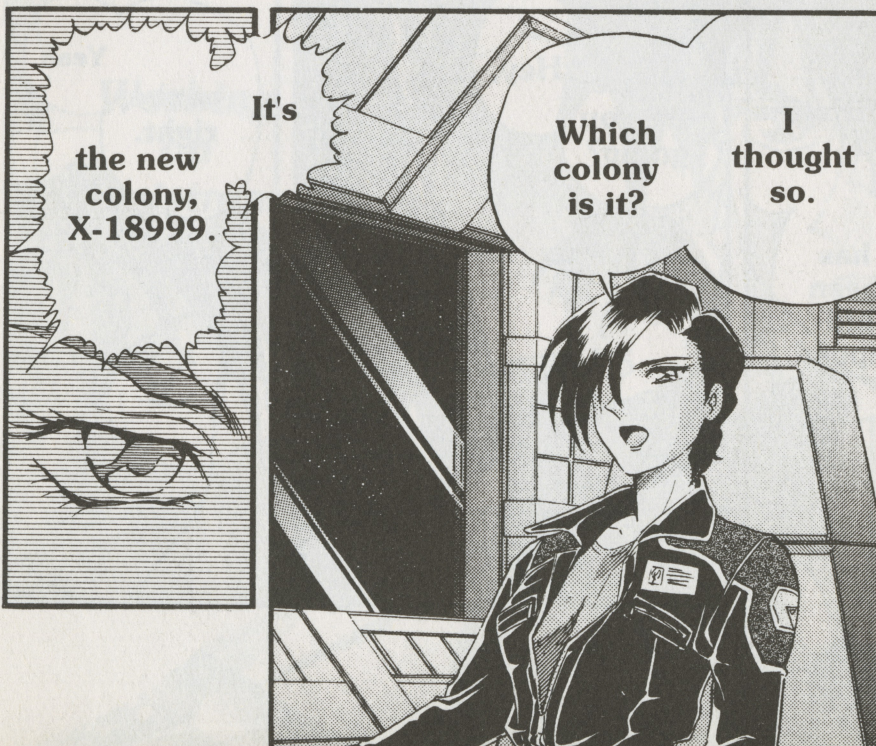

So,

you're
in love,
eh?

This is
Fire.
Is it
L-3?

This is
Water.
We've
located
the fire-
starter.

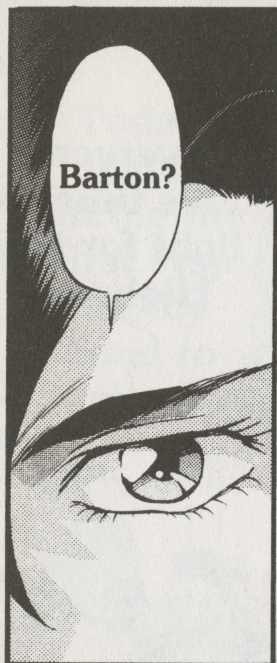

It's
the new
colony,
X-18999.

Which
colony
is it?

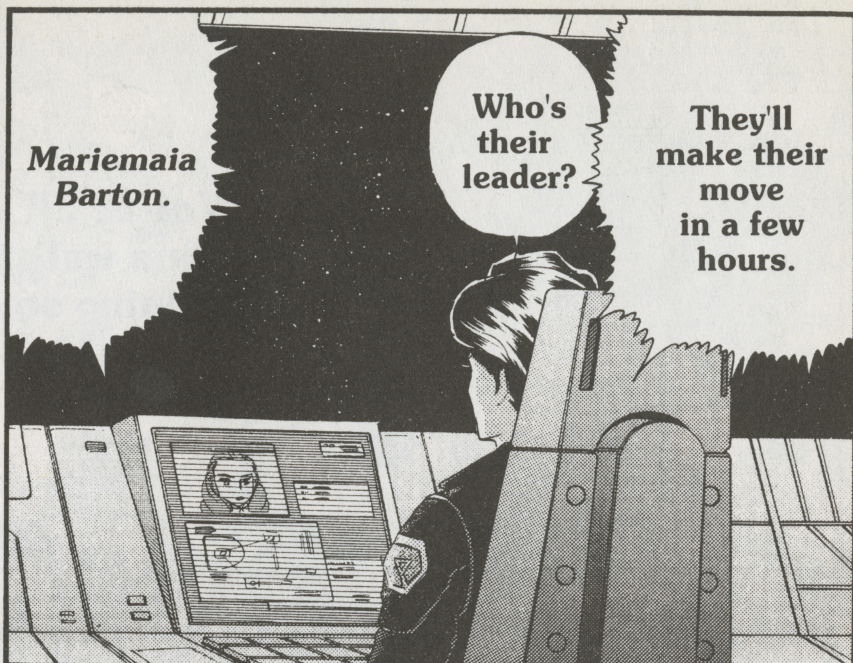

I
thought
so.

You
got it.

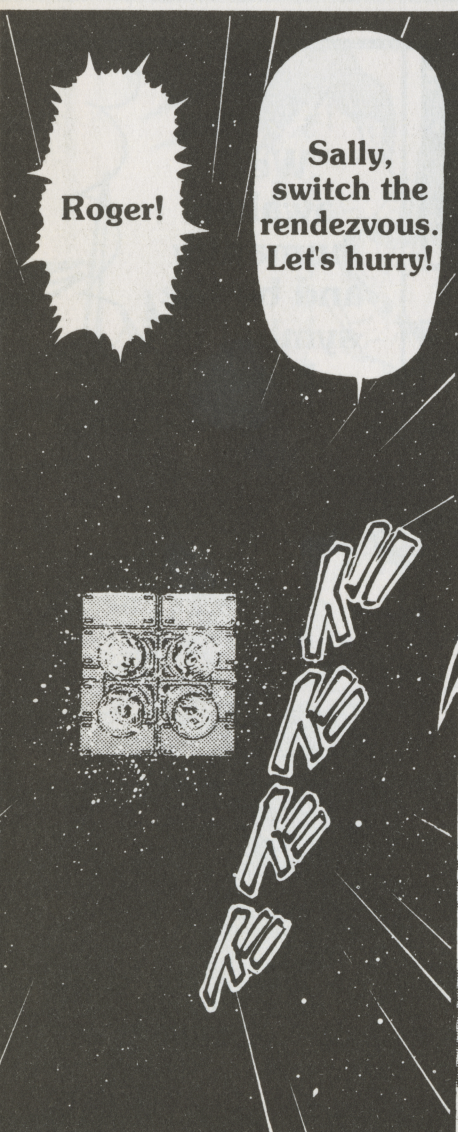

Barton?

**Mariemaia
Barton.**

Who's
their
leader?

They'll
make their
move
in a few
hours.

Roger!

Sally,
switch the
rendezvous.
Let's hurry!

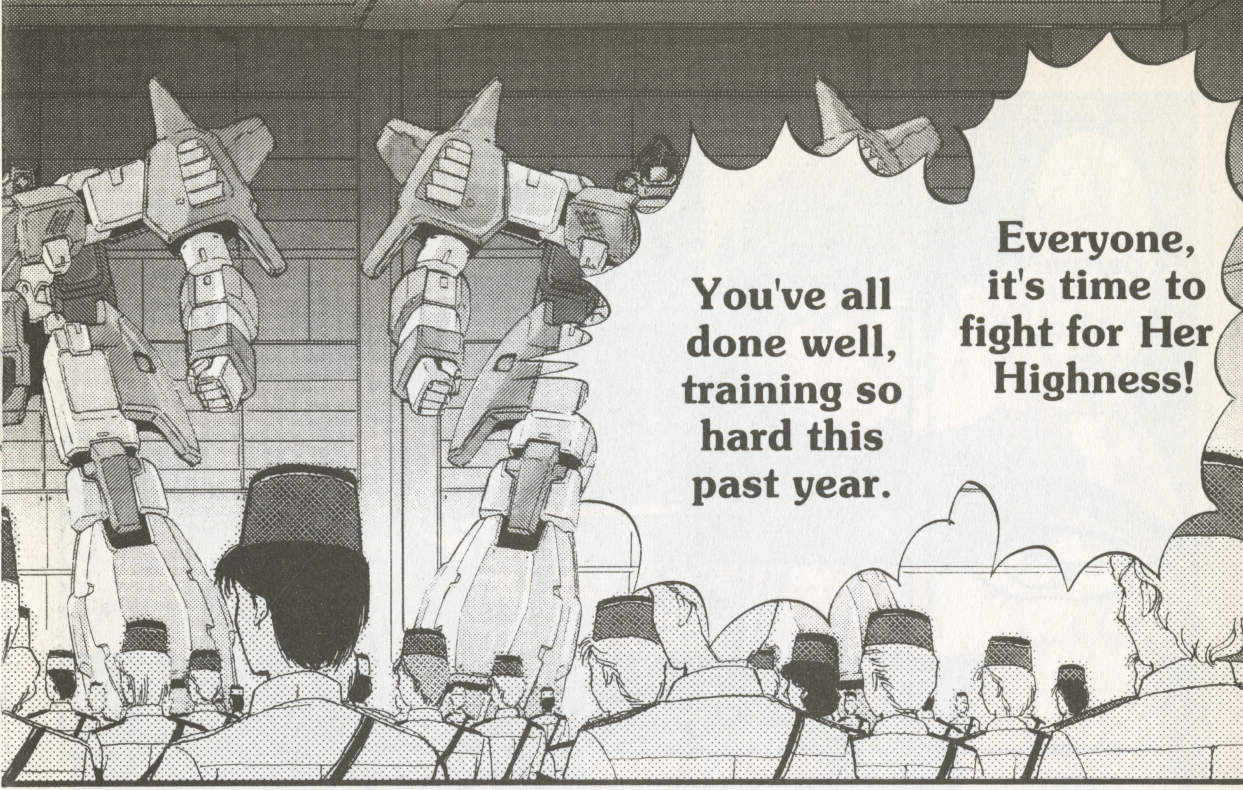

**Minister
Darlian
disappeared
on a visit to
X-18999.**

And
we've
got
another
problem.

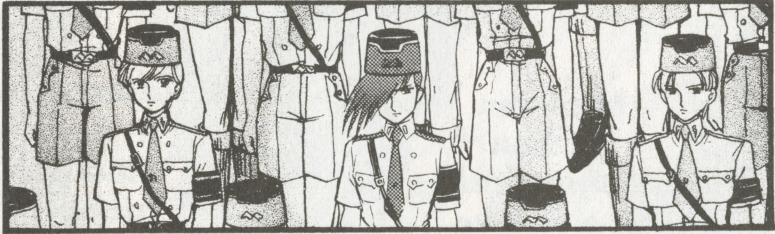

What
?!

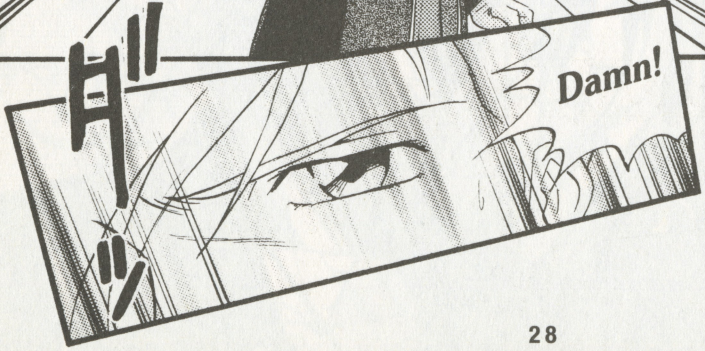

You've all
done well,
training so
hard this
past year.

Everyone,
it's time to
fight for Her
Highness!

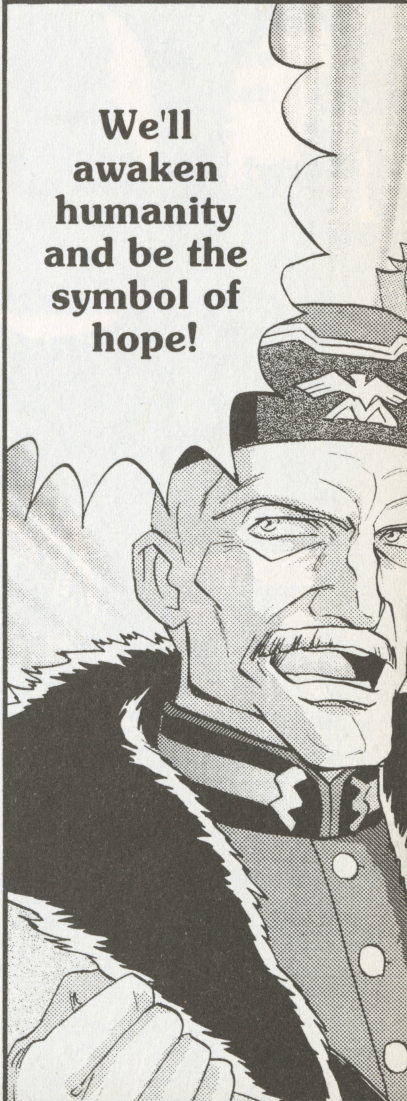

Trowa
Barton!

But first,
we'll
execute
the spy!

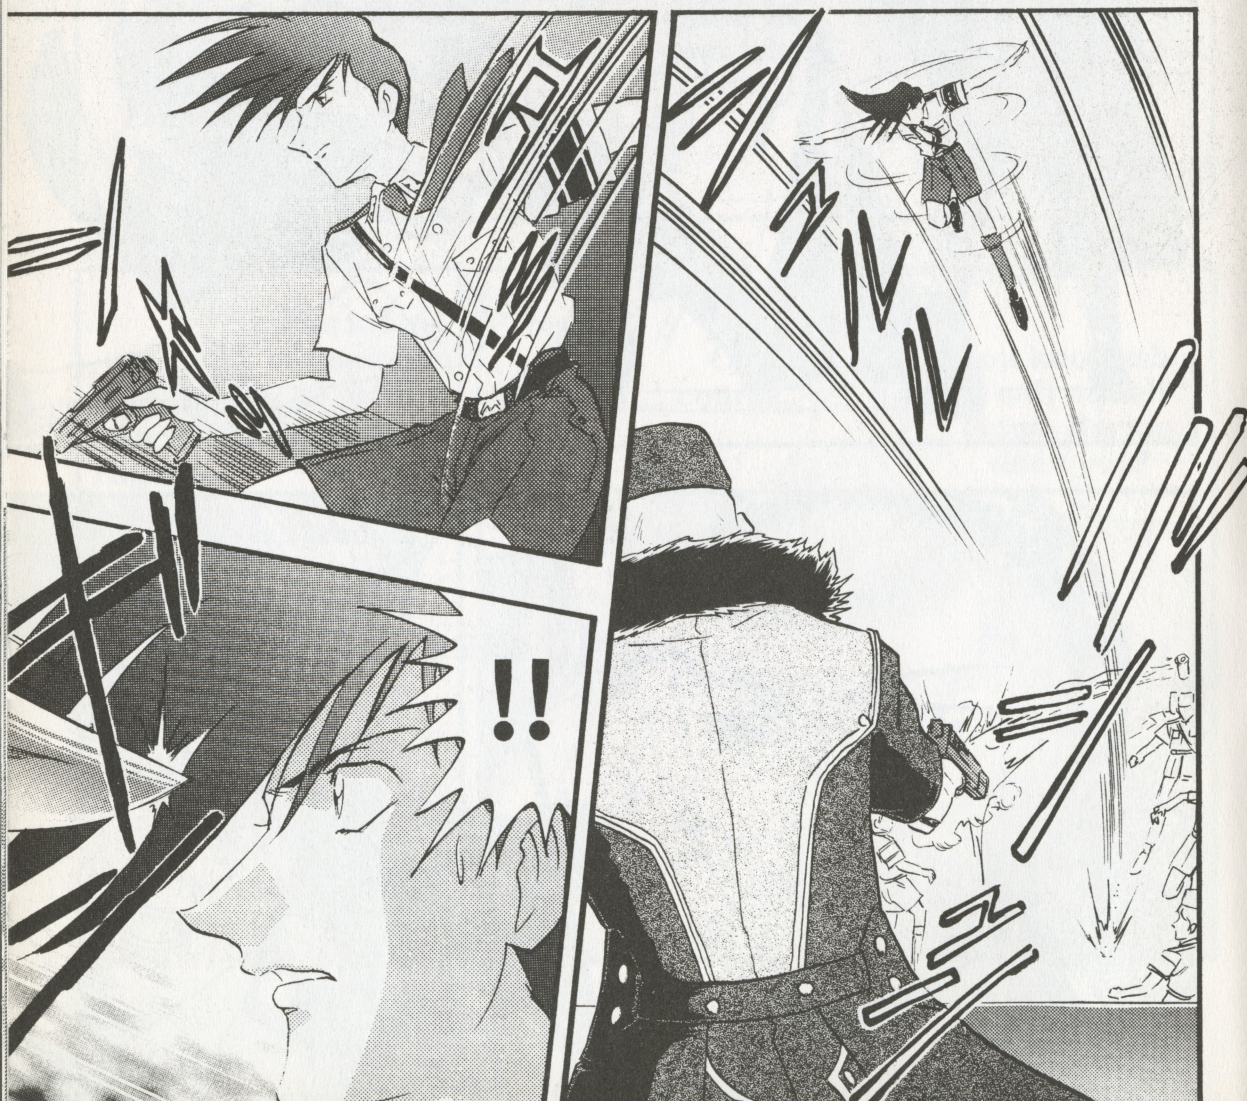

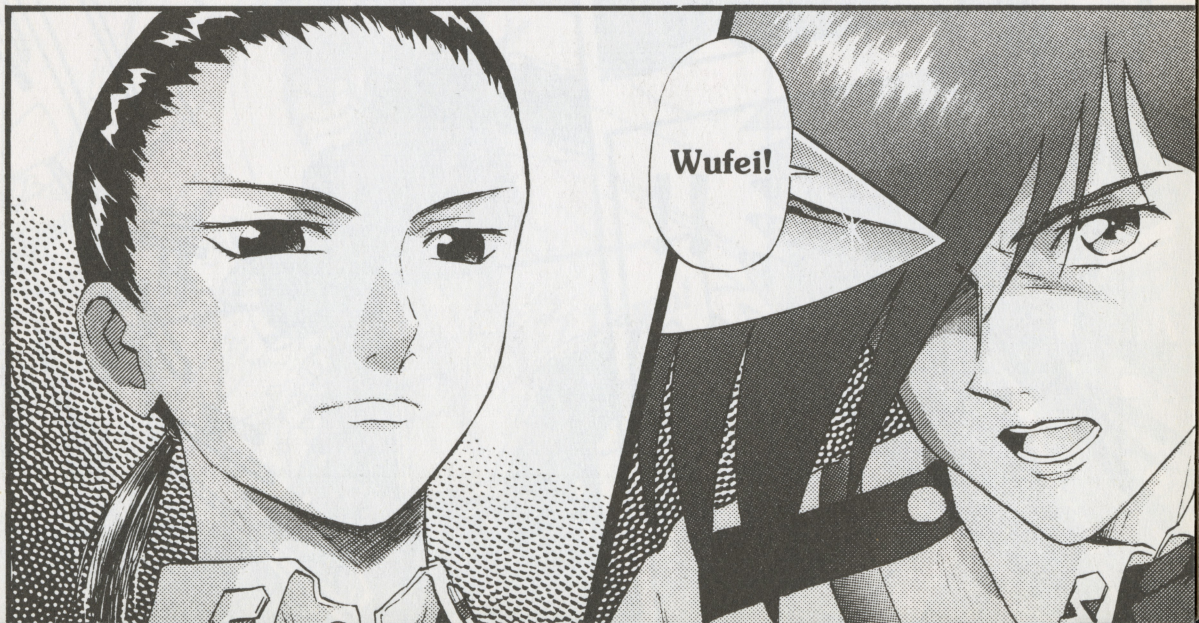

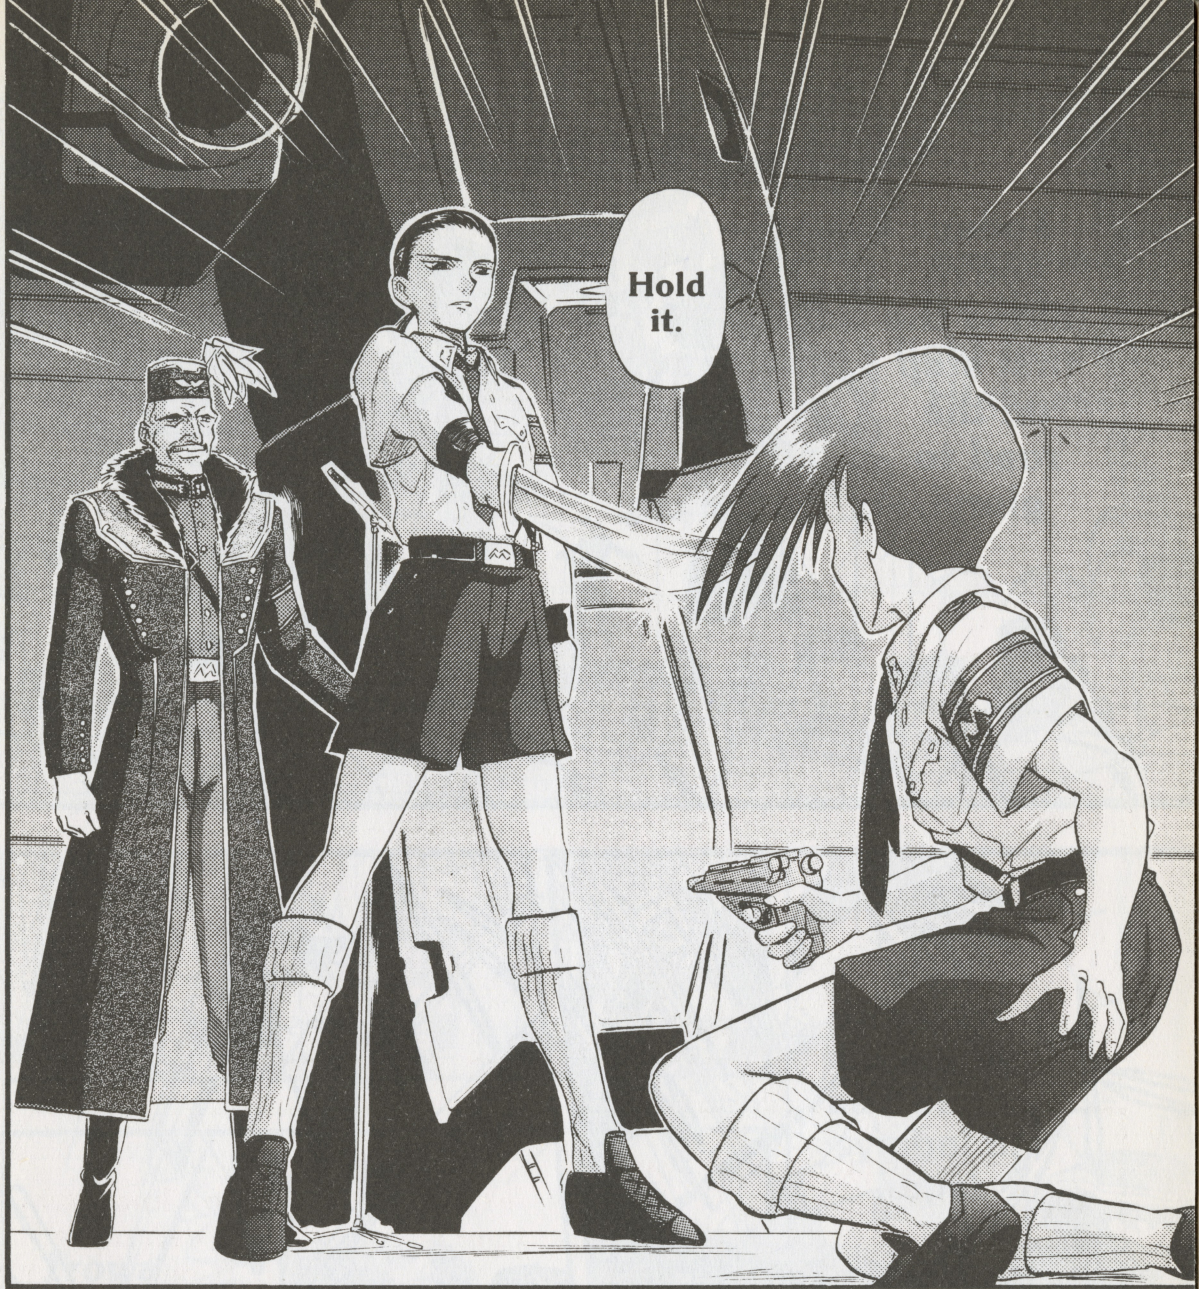

Damn!

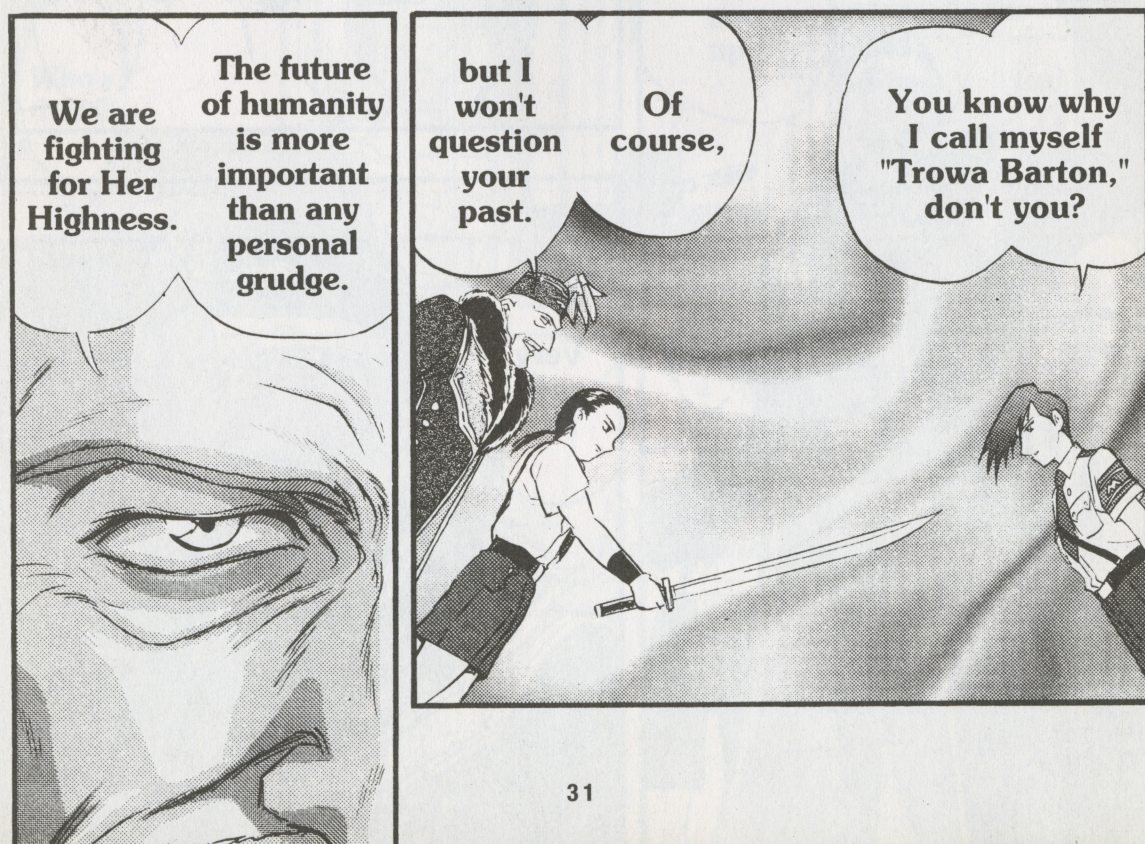

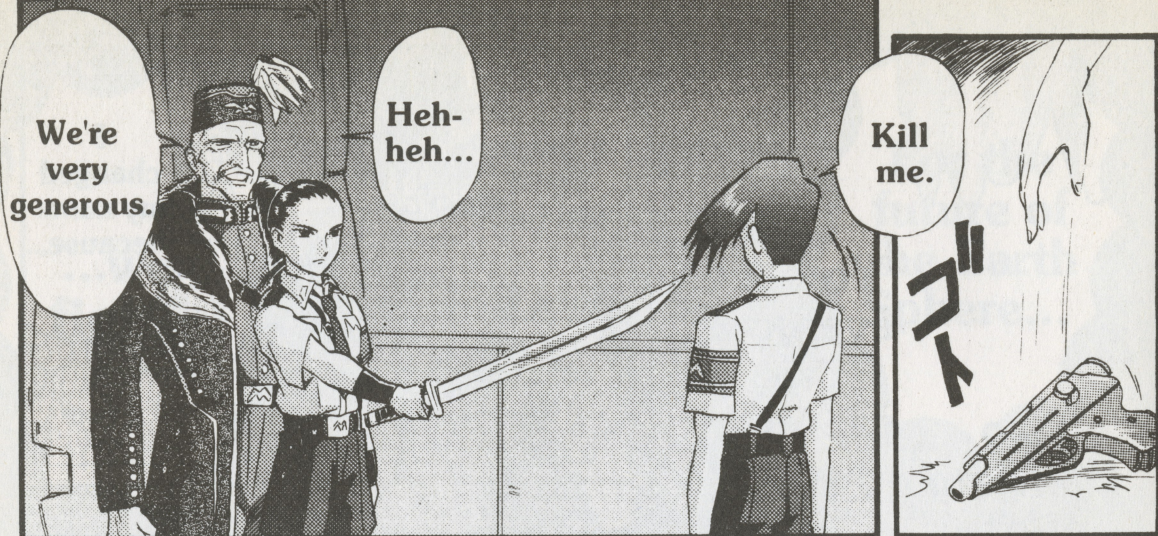

We'll
awaken
humanity
and be the
symbol of
hope!

Today,
you're
taking the
first step
on the
road to
glory!

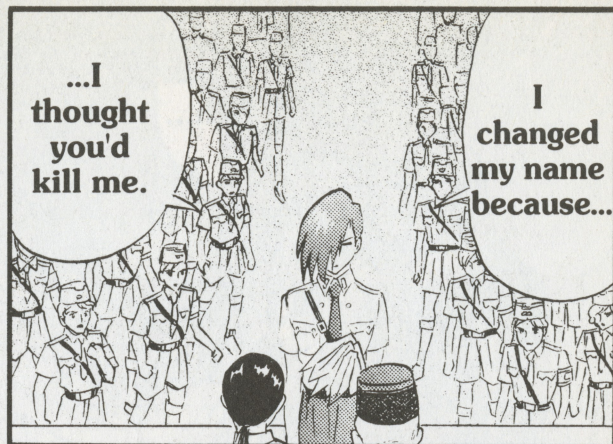

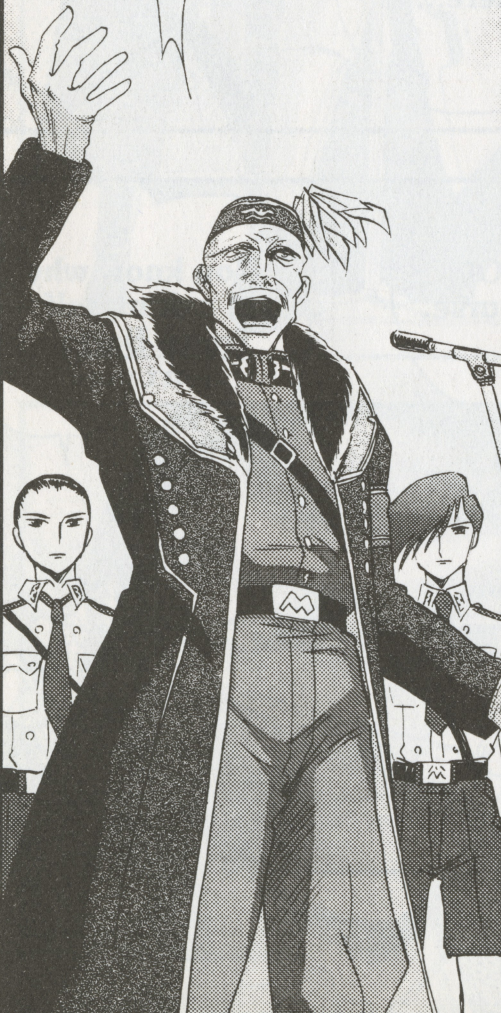

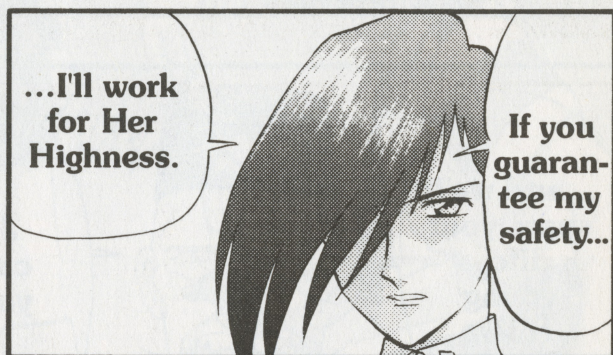

**Two
Gundam
pilots
will fight
for us!**

**You see,
everyone,
we
represent
justice!**

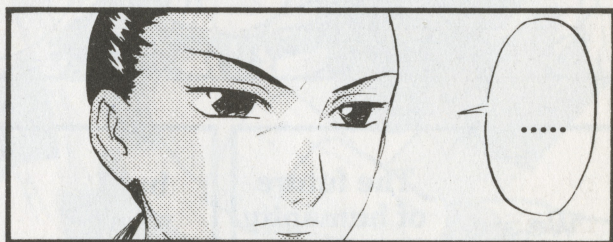

...I
thought
you'd
kill me.

I
changed
my name
because...

...I'll work
for Her
Highness.

If you
guaran-
tee my
safety...

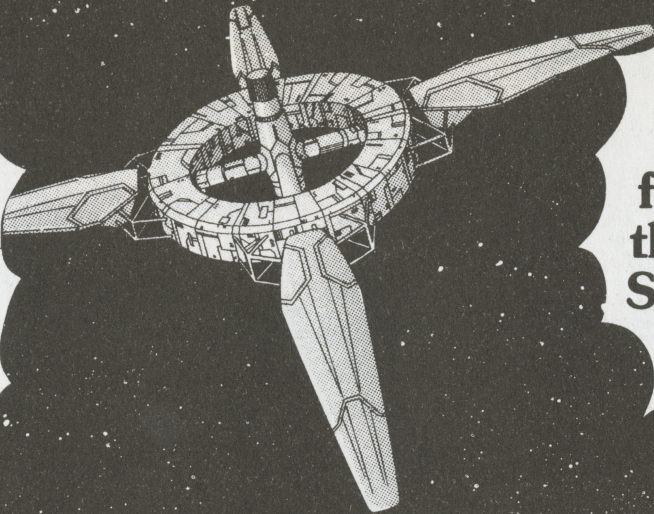

.....

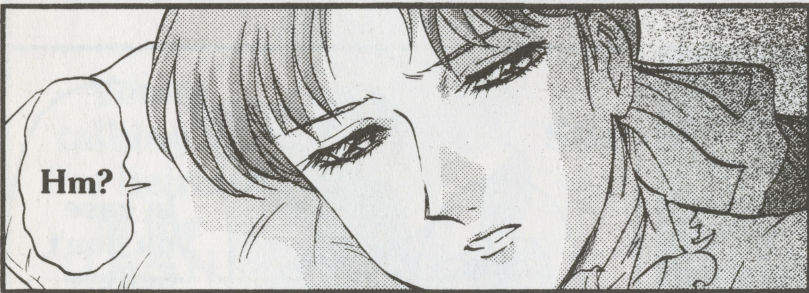

Very
well!

Ha
ha
ha.

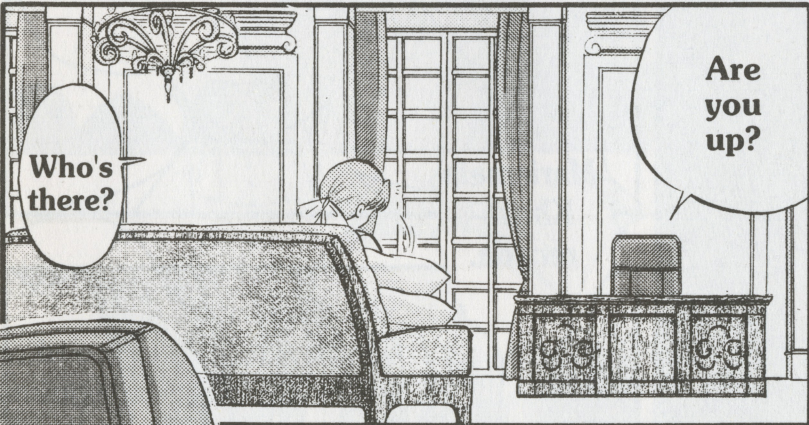

**...we
fight!**

**For the
future of
the Earth
Sphere...**

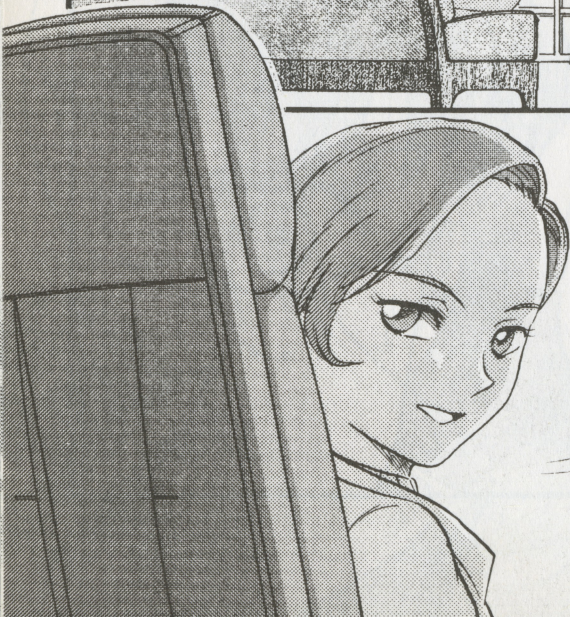

Hm?

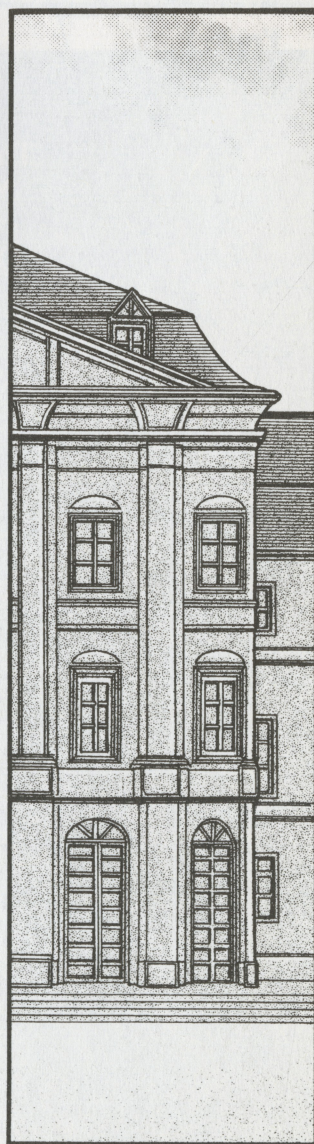

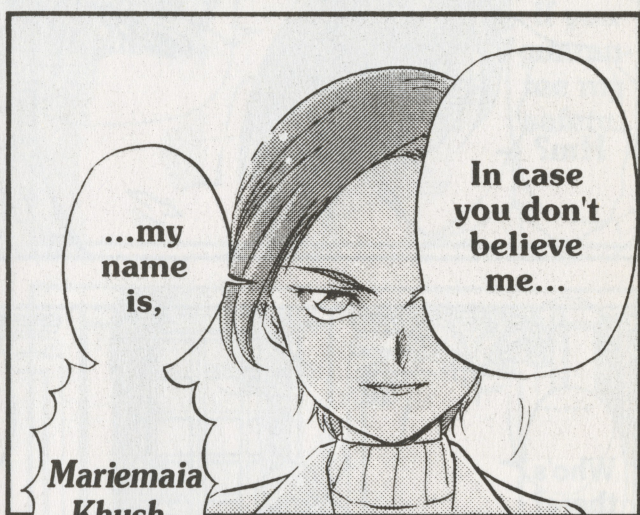

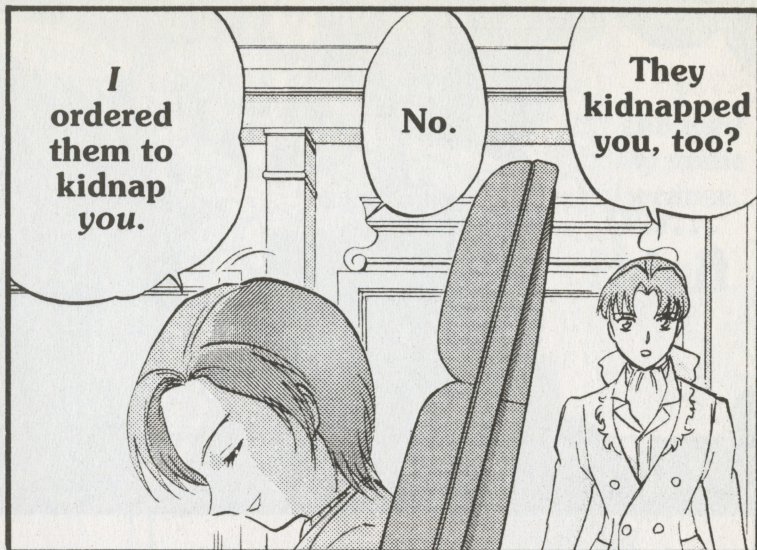

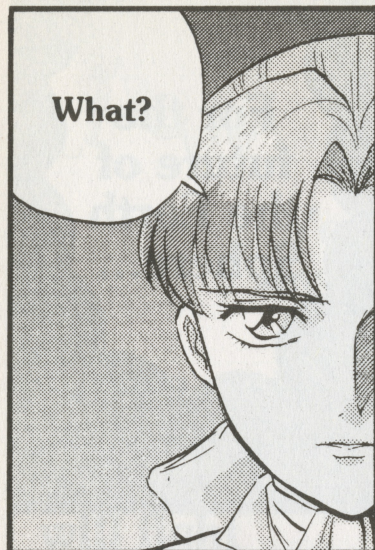

**Who's
there?**

**Are
you
up?**

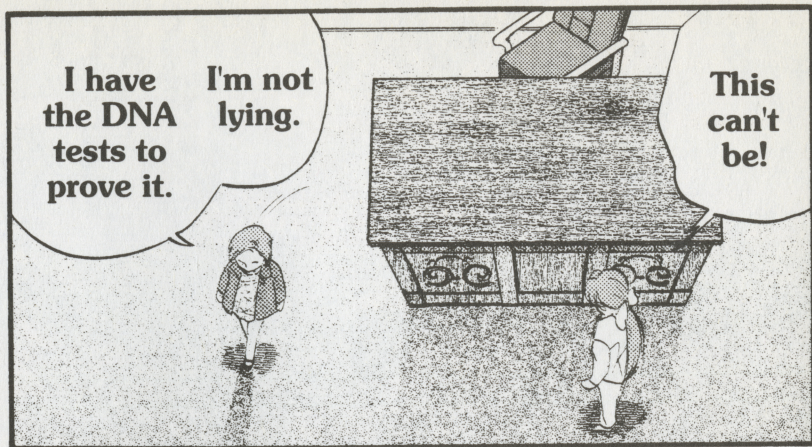

**My name's
Mariemaia.**

I share
my
father's
philosophy.

I have
the DNA
tests to
prove it.

I'm not
lying.

This
can't
be!

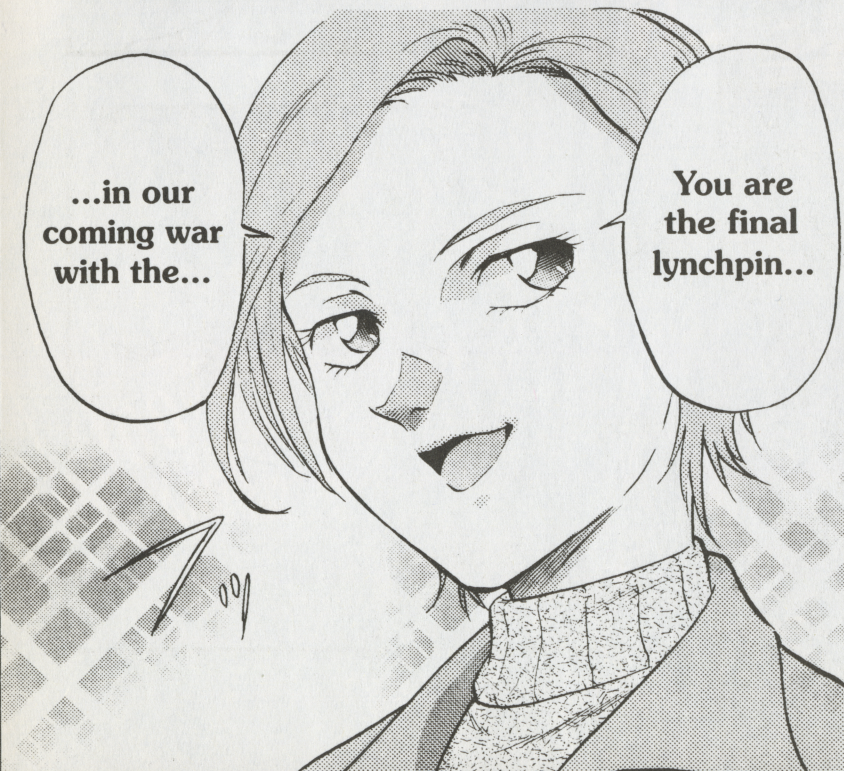

You're
talking to
the heiress
of the
U.E.S.N.!

Silence!

...it's
wrong.

I don't
know who
taught
you that,
but...

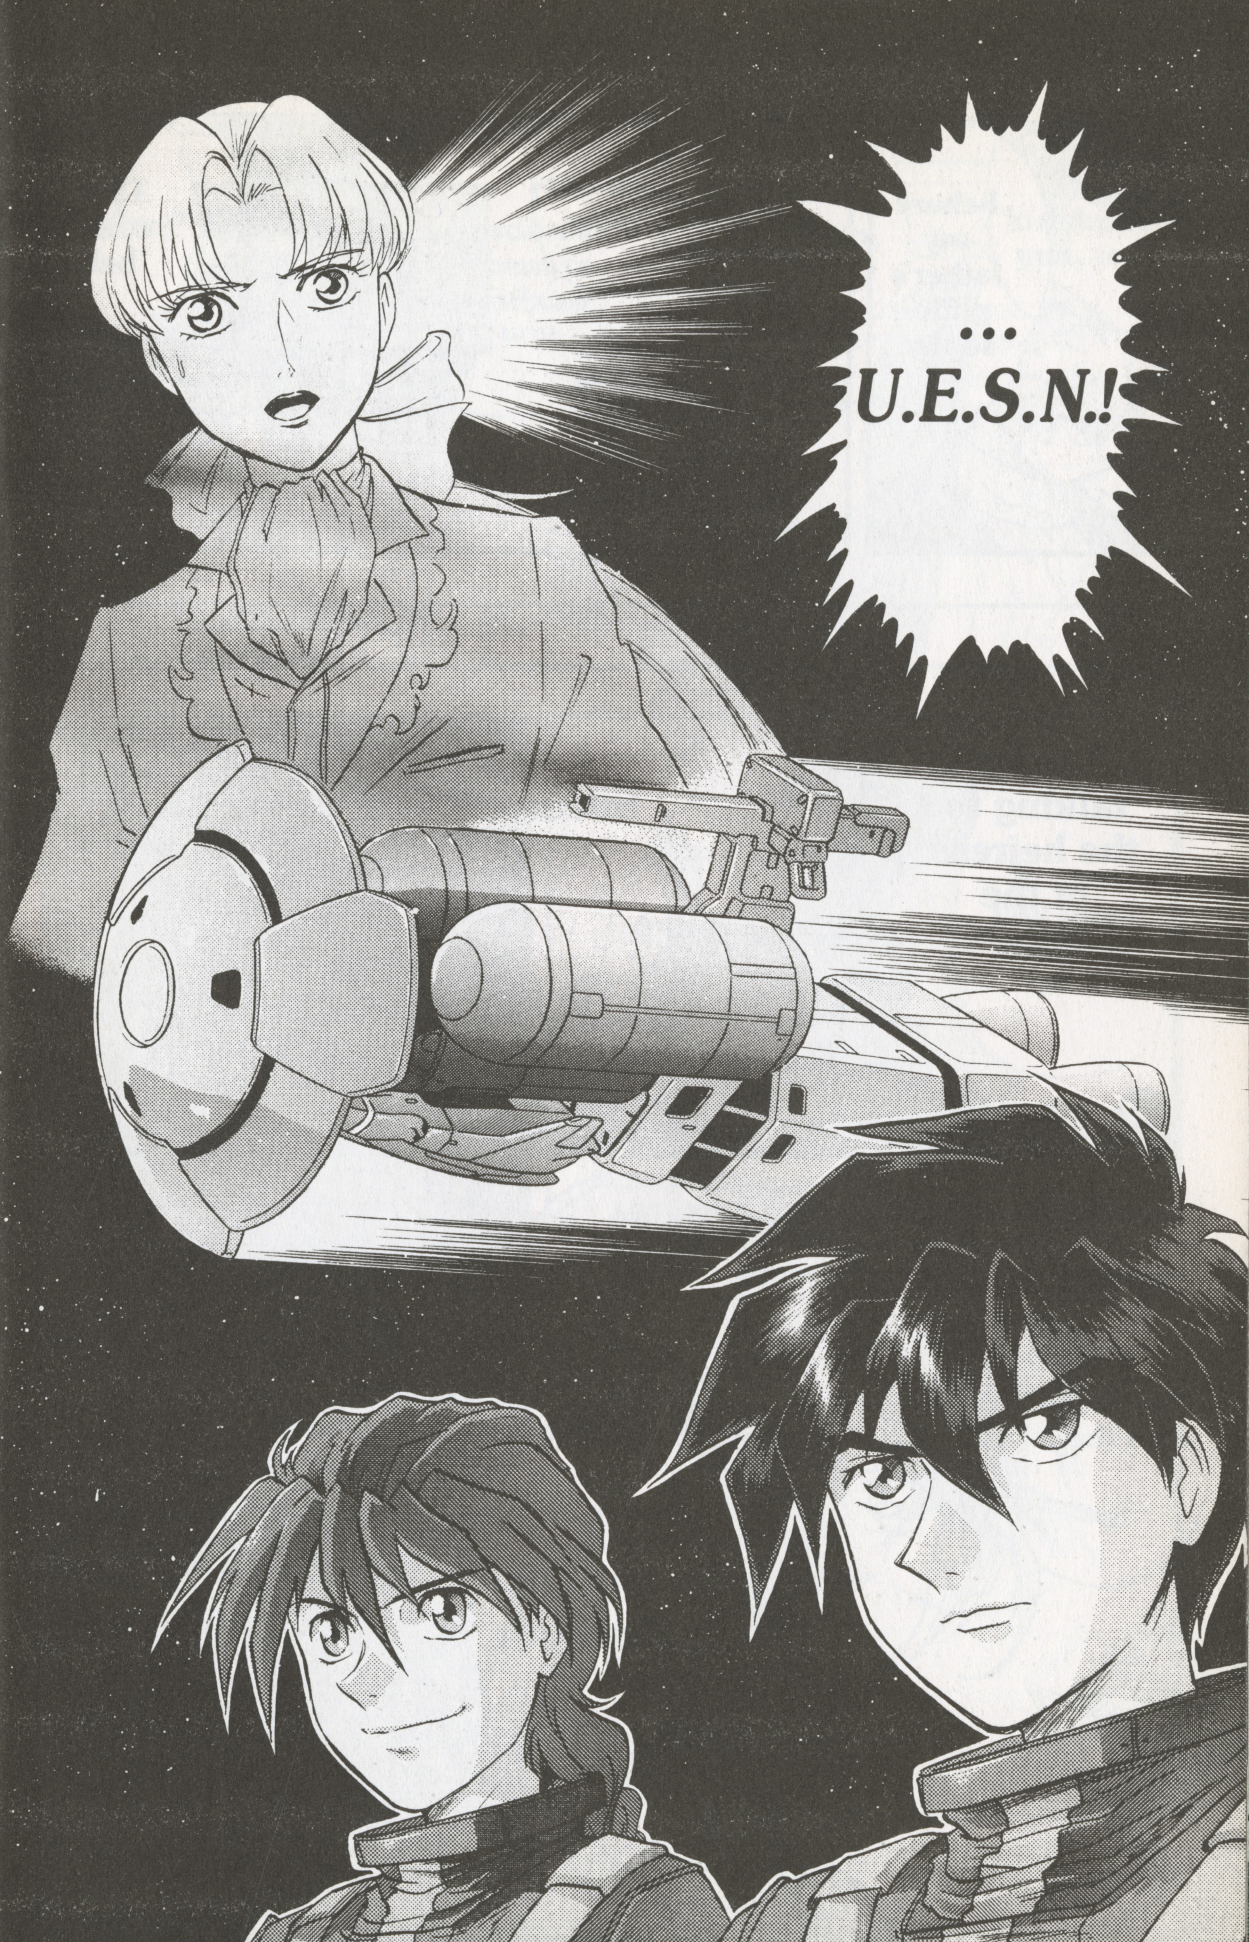

...in our
coming war
with the...

You are
the final
lynchpin...

Then tell me,
what are you
going to do
with me?

...
U.E.S.N!
